A NOTE FROM THE PUBLISHER

© Alicia Clarke

Dear Friends,

I am pleased to be sharing our 2024 stocklist with you and to be showcasing our exciting new publishing.

We are very proud to publish Rob Burrow and Kevin Sinfield at MCB. Their inspiring friendship has captured the hearts of the nation and their first title with us, *With You Every Step: A Celebration of Friendship*, has helped to raise money for both the Motor Neurone Disease Association and Leeds Hospitals Charity. Their next project is a picture book called *Try*, which tells the moving story of an unbreakable friendship between two boys and will no doubt be an important book for their young readers, as well as the trade overall.

When Angela Harding agreed to illustrate our children's edition of *Wilding*, the ground-breaking book by Isabella Tree, we knew we had a special publication in our hands and their wonderful book, *Wilding: How to Bring Wildlife Back – An Illustrated Guide*, is definitely one to pore over and treasure. Pam Ayres and Nicola O'Byrne have created *I am Hattie the Hare*, the second in their animal picture books where facts are cleverly woven through the story, and illustrations perfectly reflect the natural world.

This spring, we launch Camilla Reid's new preschool list. Camilla is one of the industry's most experienced and bestselling creators of books for the very young, and her titles are innovative, stylish and fun, with the child reader at their heart. They are essential for every young child's reading development.

Also for young readers, Julia Donaldson and Axel Scheffler introduce us to their newest character in Tales from Acorn Wood with *Frog's Day Out*, which is destined to be another No.1 bestselling title in their well-loved series. It is a big year for the Gruffalo in 2024, too, as the classic picture book marks its 25th anniversary. We have a year-long trade and consumer campaign planned and everyone can get involved.

For confident readers, there is a new Investigators adventure by John Patrick Green for World Book Day, and 'Laughs at Every Level' continue in Andy Griffiths' and Terry Denton's bestselling Treehouse series as *The 169-Storey Treehouse* publishes in paperback.

Leah Williamson and Jordan Glover's *The Wonder Team*, illustrated by Robin Boyden, has a winning second adventure, and Marcus Rashford and Alex Falase-Koya's *The Breakfast Club Adventures*, illustrated by Marta Kissi, returns with another exciting story.

Astrid and the Space Cadets by Alex T. Smith is launching in younger fiction. With a brilliant new world packed with a brilliant cast of characters, a short extent and plenty of illustrations, Alex's new series is a perfect introduction to independent reading.

Tomi Adeyemi launched her No.1 bestseller *Children of Blood and Bone* in 2018, and she completes her compelling and innovative trilogy with *Children of Anguish and Anarchy*. Hafsah Faizal's *A Tempest of Tea* is also a YA novel not to be missed; her extraordinary new story is summed up as King Arthur meets *Peaky Blinders* meets vampires!

Homebody by Theo Parish is an unmissable YA trans and non-binary graphic memoir that is perfect for fans of *Heartstopper*. It is the beautifully heart-lifting story of Theo's own journey of discovery to live life on their own terms and feel at home in the world.

We are including titles published by Priddy Books this time around in our stocklist. As Macmillan businesses, we are combining forces in the UK to publish and sell the best in preschool books and this new partnership gives us the opportunity to offer you a one-stop shop in terms of range, content, quality and value for our youngest readers.

With best wishes,

Belinda Ioni Rasmussen
Managing Director, MCB

Dark, action-packed, and swoonworthy, this is Hafsah Faizal better than ever.

HOMEBODY
Theo Parish

An unmissable graphic memoir perfect for fans of the global hit Heartstopper and Juno Dawson's *What's the T*?

Hello! I'm Theo. I like cats, Dungeons & Dragons . . . and I'm trans and non-binary.

Theo grew up in a household with a loving family and relaxed gender roles, but the pressures of the outside world to fit into society's expectations can make life feel, well . . . confusing! Theo knows that there is no one way to be, but inspired by superheroes, role playing games and comic con, they find confidence to rebuild their image in a way that feels truly themselves.

In their debut graphic novel *Homebody*, author-illustrator Theo Parish takes readers through their own story of discovering what it means to live life on your own terms and what it means to feel at home in the world.

'The most radical act of self love is living authentically in a world that takes every opportunity to squeeze you into a box of someone else's design.' – Theo Parish

ORGANISING AUTHOR AND ILLUSTRATOR VISITS

Having an author or illustrator come to visit your school or library is a great way to bring books to life for children. You can write to any of the authors and illustrators published by Macmillan Children's Books c/o Children's Publicity Department.

Author visits require thorough planning, so you will need to contact us about your chosen author well in advance. Your letter should include a few dates for the author to select from, the ages of children attending and the type of event you would like to have.

A book makes a great souvenir of the day and authors are happy to sign them after the event has finished. Contact your usual supplier to arrange books for sale at the event and circulate a note to parents in advance so that that children can bring in some money.
