Hockey Futures Together

- What is Hockey Futures Together and the wider social impact plan for EuroHockey® EuroChamps27?
- How does it work across the 8 Areas?
- Eligibility Criteria and Target Audiences
- Key Windows
- Application information
- Monitoring and Evaluation
- Top Tips for Applications (general grant writing)

What is Hockey Futures Together

- Partnership between England Hockey and the Area Associations
- Develop a funding opportunity for clubs and other organisations to deliver hockey locally; increasing opportunities to support healthy lifestyles and engaging communities that face barriers to accessing sporting opportunities
- Works with the Kettle® EuroHockey EuroChamps27 social impact plan
- Hockey Futures Together – long term program
- Opportunity to expand in the future to other areas of developing the impact that hockey can have on local communities

ENGLAND HOCKEY

Examples of Projects

Project overview

Increase the participation of local participants from Rift House, Hartlepool (Indices of Multiple Deprivation Score – 1)

Reason for delivery

Low Income Household area in the UK (IMD Score 1). Reports from youth support workers at community stating requiring more sport/physical activity to specific age group to combat local crime (Top 10% for crime in UK)

£1,250 Total project costs

Project delivery

How it is delivered

Advertise free hockey sessions locally through social media, local community centre.
10 x 1 hour hockey sessions for 14-18 year olds in January, February, March delivered by a coach.
Additional support from junior coaches as volunteers from club.
Expected No.of Participants: 60

Location and linked club

Meeting spot @ Rifthouse Community Centre prior to sessions. 10 weeks @The English Martyrs Catholic School
Hartlepool Caledonians & Billingham HC

Coaching - £25phr x 10 = £250	Venue hire - £60phr x 10 = £600
Equipment (sticks, balls, bibs) = £350	Volunteer Expenses = £50

ENGLAND HOCKEY

Examples of Projects

Project overview

Increase the participation of state school primary children in after-school hockey sessions around Foleshill, Coventry

Reason for delivery

Low Income Household area in the UK (IMD Score 1-2). Schools currently do not offer hockey in P.E or after school club. 70% of residents in Foleshill belong to ethnic minority groups (Asian Pakistani highest at 14%).

£2,000 Total project costs

Project delivery

How it is delivered

Children Sessions: 4 schools x 8 weeks x 1 hour hockey sessions for 9-11 year olds (yr 5 & 6) in November term
Teacher Training: Introduce primary school teachers to Hockey Hub and register schools with free membership. EH to deliver a practical course for teachers
Expected No. of Participants: 120

Location and linked club

Edgewick Primary, John Gulson Primary, Broad Heath Primary and Lote Tree Primary
Berkswell and Balsall Common / Positive Youth Foundation

Coaching - £25phr x 32 = £800	EH Coach Developer = £300
Equipment (sticks, balls, bibs) = £800	Volunteer Expenses = £100

Application Windows

Top Tips for Applications

Application checklist

- Have a clear project and outcome
- Be specific in your target audience
- Clear costings
- Research local area and potential demand
- How can hockey support local community – the impact of sport
- What are the barriers people face in accessing sport from the target audiences?
- Flexible delivery
