

Name: Giorgio

Surname: Furlani

Role: Chief Executive Officer

Born in Milan, Giorgio Furlani earned an MBA at Harvard Business School after graduating cum laude in Business and Finance at Bocconi University. He has worked in the financial industry for nearly 20 years. He started his career as a financial analyst at Lehman Brothers and later moved to alternative asset manager Apollo Management as an investment analyst. At Elliott Management since 2010, he has been portfolio manager and was appointed AC Milan board director in 2018. In December 2022 he was named the Chief Executive Officer of AC Milan.
