

## SNG Leicester Accommodation Refurbishment Programme

### Monthly Update Report

This monthly update provides a simple overview of progress on the Leicester key workers' accommodation refurbishment programme. Here you'll find what we've completed, what we're working on now and what's coming next.

**Overall Status:** On Track

#### What we have completed this month

##### Works completed:

- Temporary relocation of tenants.
- Ash block – surveys, flooring prep, decorating, kitchen installations, mechanical.
- Beech block – surveys, floor prep, some kitchens.
- Grange block – surveys, floor prep, plastering.

##### Highlights:

- Show flat completed and looking great!
- All Ash block kitchens are complete.

#### What we are working on now (Phase 1)

- Ash block works are continuing including flooring covering, electrical, window remedial works and windows décor.
- Beech block works are continuing including kitchens, M&E and corridor flooring.
- Grange block works are continuing including kitchen installation, decorating and M&E.

#### What is coming next

- Ash block to be completed and handed over in the coming weeks.
- Beech block will be closer to completion.
- Grange block will be closer to completion.

Thank you for your continued support while we improve these spaces. We're committed to delivering high-quality accommodation for everyone.
