

EV charging eligibility

We know how helpful and reassuring it can be to have an EV charger at home, and we want to support residents wherever it's safe and suitable to do so.

You can find out more about our policies on our website:
www.sng.org.uk/customers/general-advice/electric-vehicles

Checklist to complete

Please fill in this short checklist **before contacting us**. You'll need to answer 'Yes' to all the questions to move to the next stage. If you answer 'No' to any questions, your request will be declined at this time.

Please send your completed form to evapplications@sng.org.uk.

Our team will review your request and let you know if you can proceed. Approval isn't guaranteed, as we still need to check to make sure it's safe and suitable for your home.

Please don't arrange any work or installation until we've been in touch.

Section 1: Property criteria	Yes	No
You can park your vehicle off-road within the boundary of your home.	<input type="checkbox"/>	<input type="checkbox"/>
The EV charger can be fitted to your home or a solid structure within your boundary, and below 2.3m high.	<input type="checkbox"/>	<input type="checkbox"/>
You won't need planning permission for this installation.	<input type="checkbox"/>	<input type="checkbox"/>
The charging unit will be at least 2m away from any public road.	<input type="checkbox"/>	<input type="checkbox"/>
SNG own your home and the land where the charger will be installed.	<input type="checkbox"/>	<input type="checkbox"/>
Your electricity network operator (DNO) has approved the installation.	<input type="checkbox"/>	<input type="checkbox"/>
You have your own electricity meter (not shared with another property).	<input type="checkbox"/>	<input type="checkbox"/>

Section 2: Installation criteria

Yes No

The charger will be installed by a qualified electrician (NICEIC, ECA, NAPIT or an equivalent body).	<input type="checkbox"/>	<input type="checkbox"/>
The installation will meet all safety rules and follow the manufacturer's instructions.	<input type="checkbox"/>	<input type="checkbox"/>
You'll send all installation documents to SNG within 20 working days.	<input type="checkbox"/>	<input type="checkbox"/>
You agree to pay the costs if SNG need to disconnect the charger because documents were not provided.	<input type="checkbox"/>	<input type="checkbox"/>
Your home's electrical installation has a valid, in-date Electrical Installation Condition Report (EICR).	<input type="checkbox"/>	<input type="checkbox"/>
The charger and cable will stay fully within your own boundary.	<input type="checkbox"/>	<input type="checkbox"/>
You understand SNG may inspect the installation as part of electrical testing and may disconnect if it's unsafe.	<input type="checkbox"/>	<input type="checkbox"/>
The charger will have its own dedicated electrical circuit.	<input type="checkbox"/>	<input type="checkbox"/>
A 13-amp plug socket won't be used to power the charger.	<input type="checkbox"/>	<input type="checkbox"/>

Section 3: Aftercare criteria

Yes No

You understand that you own and are responsible for looking after the charger.	<input type="checkbox"/>	<input type="checkbox"/>
You agree that if SNG attend a fault with the charger, it may be disconnected and you will be charged for the visit.	<input type="checkbox"/>	<input type="checkbox"/>
If SNG disconnects the charger for safety reasons, it can't be reconnected.	<input type="checkbox"/>	<input type="checkbox"/>
You agree to pay the costs if SNG need to disconnect the charger because documents were not provided.	<input type="checkbox"/>	<input type="checkbox"/>
Any repairs will be carried out by a trained and competent person.	<input type="checkbox"/>	<input type="checkbox"/>
All repairs will follow the manufacturer's instructions.	<input type="checkbox"/>	<input type="checkbox"/>
If you move out, you'll arrange for the charger to be removed by a qualified electrician.	<input type="checkbox"/>	<input type="checkbox"/>
You'll send SNG a certificate to confirm the charger was professionally removed.	<input type="checkbox"/>	<input type="checkbox"/>
