Date:

CONDITIONS OF CIOT GRANT

- Students must be undertaking either a full-time or part-time research towards a PhD in taxation at a UK university although students who are registered for an M.Phil. and who intend to upgrade to a PhD before submission may apply.
- The grant **MUST NOT** be used to meet University or college fees.
- An annual report both by the recipient and their supervisor will be required summarising your progress.
- Copies of any published articles (copyright permitting) written during the course of the PhD should be sent to the CIOT.
- Articles and conference papers should acknowledge CIOT funding.

Please return this form and your abstract to:
