South Tyrol Debates

Workshop for Starters

What is it?

A skill-building event to promote English debating culture: format, rules, training material

For whom?

- For teachers and students who have no knowledge of formal debate
- Max. 6 students and 2 teachers per team

How and when do I register?

For registration see the link below.
Until 7th October 2024

What's the teacher's role?

- To promote the initiative at their school
- To set up the debating club/team
- To attend the workshop
- To keep up with the training at school

Workshop for Experienced Debaters

A skill-building event to build on previous debating experience

- Schools who have already taken part or debating experience
- Max. 6 students and 2 teachers per team

For registration see the link below.
Until 7th October 2024

- To continue the initiative at their school
- To introduce new debaters to the format
- To attend the workshop

Day of Debating

A **friendly competition** in mixed teams with students from the debating clubs from different schools to discuss the key issues of our time.

Experience the debating spirit with:

- Critical minds & passionate speeches
- An interesting pool of motions
- An independent jury
