Product Information Sheet

## PRODUCT INFORMATION SHEET

SEA MINERALS #01

### 1. PRODUCT DESCRIPTION

This is no ordinary soap. INEOS hand wash contains 4 x added moisturisers helping to keep skin soft, actively improve the condition of skin and strengthen + protect the skin barrier. The formula also contains INEOS Active Fragrance Technology formulated from purifying essential oils and phytoncides. Phytoncides are dual-action molecules emitted by plants and trees which inhibit the development of bacteria, whilst releasing aromas which combat feelings of stress or fatigue.
