ULTRA
HYBRID FVRCP®

Feel-good
protection at half
the volume.

Ask us about **ULTRA™** vaccines.

Elanco

You care
about your
pet's comfort.
So do we.

Vaccines are necessary for keeping your pet safe, healthy and protected from diseases. What isn't necessary is discomfort. That's why we use ULTRA™ vaccines at our clinic. Highly purified with 50% less volume than standard vaccines, the ULTRA line is designed for a more comfortable vaccination experience.

Comfortable protection for your pet.

- Highly purified with 50% less volume than standard vaccines
- Effective disease protection with minimal injection volume
- Designed to be a more comfortable experience for pets
- Aligns with the American Animal Hospital Association (AAHA) and the American Association of Feline Practitioners (AAFP) vaccine guidelines and protocols^{1,2}

**ULTRA vaccines are available
for cats and dogs.**

Feel-good protection at half the volume.
