

Cookies in a Jar

You Will Need:

250g Butter or Margarine
2tbsp Golden Syrup
1tsp Vanilla Extract

Method:

1. Preheat the oven to 180°C/ Gas Mark 4 & line a baking tray with baking parchment.
2. Empty cookie mix into a bowl and add the butter, golden syrup & vanilla.
3. Mix together until fully blended, form dough into a ball and place on a floured work surface.
4. Roll the cookie dough out to approximately 1cm thick and cut the cookies into circles using a cookie cutter.
5. Place onto baking tray and bake for 12 minutes or until golden brown.
6. Allow cookies to cool on the tray for a few minutes before transferring onto a wire rack.
7. Make a cup of hot chocolate & enjoy!

Merry Christmas
