* MREC: Medical Research Ethics Committee (Dutch: METC)

** Medical Research Involving Human Subjects Act: Dutch WMO

When amendments are placed on the agenda of a chamber meeting (instead of being dealt with by the Executive Committee), a fee for review of a new submission may be charged.

As of 26 May 2022, the IVDR will be active. The above rates also apply to studies that are subject to this regulation.

Note: As of the 1st of July 2022, a rate will be charged for assessment of an IMPD in drug research protocols that are still submitted to the MREC under the CTD. These rates will be in accordance with the rates of the CTR.
