DESCRIPTION

The Blue Boar Inn is a well-known and long-established family run pub and restaurant. The pub has been in the current ownership since the 90's, and has been developed over time to add a 100 cover restaurant to the rear of the pub and lettings rooms upstairs.

The layout allows for specific dining and drinking areas, functions and events as part of a wide ranging offering.

INTERNAL DETAILS

The pub offers a flexible layout with varied trading areas. The original pub contains three rooms with a Bar (30 covers), Lounge (25 covers) and small restaurant (30 covers). The rear of the building was extended to create a 100 cover restaurant with its own bar servery.

The original central core of the pub contains a modern fitted kitchen bar servery and access to the cellar and letting rooms.

THE OPPORTUNITY

The owners are selling due to retirement so there is significant opportunity to re-invent the business and create a new offering.

Food operators can utilise the four rooms to maximise internal covers and increase trading hours.

There is significant scope to increase both wet and dry sales, run events and utilise the letting rooms to the full potential.
