Do you have an idea to help other people to be healthy, happy and meet new friends.

You can apply for up to £2500 and support to develop your project.

You can write or film your application to tell us about your idea

Your idea should support people to be more active, meet new people (connect), learn new things, help other people (give), feel calmer (take notice)

We can help you to complete the application form or talk to you about your idea.
