ARTICOLO REGOLAMENTO SVILUPPO RURALE																		Fondi BZ
Articolo 15 (Trasferimento di conoscenze e azioni di formazione)																		
1.1 KNOW1 – Support for providing training/skills acquisition			X															
1.2 KNOW2 – Support for demonstration projects/information actions																		
1.3 KNOW3 – Support for farm exchanges																		
Articolo 16 (Servizi di consulenza, di sostituzione e di assistenza alla gestione delle aziende agricole)																		
2.1 ADVI1 – Support for providing advisory services	X																	
2.2 ADVI2 – Support for settings advisory services																		
2.3 ADVI3 - Support for training of advisors																		
Articolo 18 (Investimenti in immobilizzazioni materiali)																		
4.1 INV_PHY1 – support for investments in agricultural holdings				X								X						
4.2 INV_PHY2 – support for investments in processing/marketing of agricultural products				X								X						
4.3 INV_PHY3 – support for investments in agricultural and forestry infrastructure				X					X		X							
4.4 INV_PHY4 – support for non-productive investments for environmental purposes/public amenity value of HNV sites								X										
Articolo 20 (Sviluppo delle aziende agricole e delle imprese)																		
6.1 BUS_DEV1 – start up aid young farmers					X													
6.2 BUS_DEV2 – start up non-agric activities in rural areas																X		
6.3 BUS_DEV3 – start up aid development small farms																		
6.4 BUS_DEV4 – support for investments in non-agric activities in rural areas																X		
6.5 BUS_DEV5 – transfer payments																		
Articolo 21 (Servizi di base e rinnovamento dei villaggi nelle zone rurali)																		
7.1 BAS_SERV1 – support for drawing up village development and N2000/HVC area management plans																		
7.2 BAS_SERV2 – support for investments in small scale infrastructure incl renewable energy infrastructure																	X	
7.3 BAS_SERV3 – support for investments in broadband infrastructure and access to broadband incl e-government services																		
7.4 BAS_SERV4 – support for investments in local basis services for the rural population																	X	
7.5 BAS_SERV5 – support for investments in recreational/tourist infrastrucutre																	X	
7.6 BAS_SERV6 – support for studies/investments in rural cultural and natural heritage incl HNV sites																	X	
7.7 BAS_SERV7 – support for investments in relocation of activities for environmental/quality of life reasons																		
Articolo 26 (Investimenti diretti ad accrescere la resilienza e il pregio ambientale degli ecosistemi forestali)																		
8.4 FOR_AREA4 – support for investment in environmental value/resilience of forest ecosystems								X		X					X			
Articolo 27 (Investimenti in nuove tecnologie silvicole e nella trasformazione e commercializzazione dei prodotti delle foreste)													X					
8.5 FOR_AREA5 – support for investment in forestry technology and primary processing/marketing													X					
Articolo 29 (Pagamenti agro-climatico-ambientali)																		
10.1 AGRI_ENV1 – payment for agri-environment-climate commitments per ha of agricultural land								X	X	X				X	X			
10.2 AGRI_ENV2 – support to conservation of genetic resources in agriculture																		
Articolo 30 (Agricoltura biologica)																		
11.1 ORG_FARM1 – payment to convert to organic farm per ha of UAA								X										
11.2 ORG_FARM2 – payment to maintain organic farm per ha of UAA								X										
Articolo 32 (Indennità a favore delle zone soggette a vincoli naturali o ad altri vincoli)																		
13.1 NCA_1 – compensation payments per ha of UAA in mountain areas								X	X	X					X			
13.2 NCA_2 – compensation payments per ha of UAA in other areas with significant NC																		
13.3 NCA_3 – compensation payments per ha of UAA in areas with specific constraints																		
Articolo 36 (Cooperazione)																		
16.1 CO_OP1 – support for the creation of clusters and networks																		
16.2 CO_OP2 – support for the establishment and operation of operational groups (EIP)																		
16.3 CO_OP3 – support for pilot projects																		
16.4 CO_OP4 – support for the development of new products processes and technologies		X																
16.5 CO_OP5 – support for cooperation among small operators																		
16.6 CO_OP6 – support for cooperation among supply chain actors/logistics short supply chains and local markets						X												
16.7 CO_OP7 – support for local promotion of short supply chains and local markets		X																
16.8 CO_OP8 – support for joint action to mitigate or adapt to climate change																		
16.9 CO_OP9 – support for collective approaches to environmental projects/practices																		
16.10 CO_OP10 – support for cooperation among supply chain actors for sustainable production of biomass																		
16.11 CO_OP11 – support for non-CLLD local development strategies																		
16.12 CO_OP12 – support for the drawing up of forest management plans																		
Articolo 37 (Gestione del rischio) (nazionale)																		
17.1 RISK_MAN1 – financial contribution to crop animal and plant insurance premium							X											
17.2 RISK_MAN2 – financial contribution to mutual funds																		
17.3 RISK_MAN3 – financial contribution to income stabilisation tool																		
LEADER																		
18.1.1 LEADER 1.1 – support for Leader start up kit																		
18.1.2 LEADER 1.2 – support for capacity building training and networking for LDS preparation/implementation																		
18.2 LEADER 2 – support for implementation of operations under the LDS																	X	
18.3.1 LEADER 3.1 – preparatory technical support for cooperation																		
18.3.2 LEADER 3.2 – support for inter-territorial cooperation (projects)																	X	
18.3.3 LEADER 3.3 – support for transnational cooperation (projects)																		
18.4 LEADER 4 – support for running costs and animation of the LDS																	X
