

## TSSA 2023 ANNUAL CONFERENCE SKELETON PROGRAMME

(As at 21 May 2023)

This programme is subject to alteration and it should be understood that items mentioned may not necessarily be presented to Conference in the order shown. Delegates should be prepared for any change to this programme.

The first item will be the formal closure of the 2022 Annual Conference. This Conference was adjourned, to allow it to be resumed to agree any Rule changes necessary to complete a merger with another union. As the merger proposals have been withdrawn and no other Rule changes were agreed, there is no further business and the Conference can be closed formally.

Note that, by agreement with the President, Conference will close at 12:30 on Monday 5 June, rather than the 17:00 time stated on the Preliminary Agenda. Delegates and visitors should be aware that Monday 5 June is a Public Holiday in the Republic of Ireland.

SOC advises that the deadline for further Emergency Motions will be Wednesday **25 May** so that they can be processed and circulated in time for debate during Conference.

Breaks of up to 15 minutes in each session will be taken.

<b>SATURDAY 3 JUNE 2023 - Afternoon (14:30 - 17:30)</b>
---
