

READY FOR PUBLIC OWNERSHIP?

The shift to public ownership marks a new era for our railways. Protecting your rights is more important than ever. Are you confident that your salary will be fair? Will you maintain job security? Will your voice be heard in the changes ahead?

TSSA members benefit from:

Collective bargaining for fair pay
Expert employment advice
Representation for workplace issues
Legal support for disputes
Training and development opportunities
Updates on industry changes
And more!

For over 125 years, TSSA has fought for improved working conditions within the rail industry. Our members are the driving force behind our progress.

Join us in standing united to ensure that your collective voice is amplified. Together, we create the future for all railway employees.
