### Product Special Conditions

These Product Special Conditions and the Newcastle Building Society's Savings General Terms and Conditions will apply, effective from the date of account opening. In the event of a conflict, these Product Special Conditions will prevail.

- Only individuals aged 16 or over who have parental responsibility for a child under 16 can apply to open a Newcastle Junior ISA on behalf of the child.
- A child of 16 years or older may apply for and operate the Account themselves.
- Only children under the age of 18 that do not have a Child Trust Fund are eligible to open a Junior ISA (JISA).
- Only 1 registered contact can be added to an account.
- After placing your Investment in the Account you may make unlimited further deposits. There is no limit to the number of Deposits you can make; however the total value must not exceed the maximum JISA limit for the current tax year.
- Withdrawals from the Account before the child's 18<sup>th</sup> birthday are not permitted. The only exception to this is where a child becomes terminally ill. Under such circumstances, access to funds would then be permitted subject to HMRC approval.
- The Account will close upon the death of the child.
- The Account is a limited issue and may be withdrawn to new applicants at any time and at short notice.
- 'Account Anniversary' means twelve months from account opening and each subsequent twelve month period.
- The child is the account holder and can only hold one Junior Cash ISA at any time. The Newcastle Building Society allows you to split your annual Junior ISA allowance between various Newcastle Junior Cash ISA products. If you have an existing Junior Cash ISA held elsewhere, you can transfer this to the Newcastle.
- Once the child reaches the age of 18, the Account will convert into a cash ISA, and the new account terms and conditions will apply. We will write to you and the child prior to maturity to advise you of any amendments to the Terms and Conditions of your Account. These amendments may include the access terms, withdrawal arrangements and the duration of the Account.
- Any payment made into the Account which does not breach the annual subscription limit, is a gift to the child and is not refundable.
- Details are correct as at 10/12/2024.
