Please refer to the Product Special Conditions and the Savings General Terms and Conditions for full product details. *'Gross' means the contractual rate of interest. '**AER' stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and added to your account each year. ISA interest is paid tax-free, which means it's exempt from income tax. "Tax-free" refers to the contractual rate of interest payable, where interest is exempt from income tax. The tax information provided is based on the current law and HM Revenue & Customs practice, both of which may change.
