Newcastle Building Society and Manchester Building Society merger update

Further to the announcement of 21st February 2023, the Boards of Newcastle Building Society ('Newcastle') and Manchester Building Society ('Manchester') have now entered into a legally binding agreement to merge by way of an Instrument of Transfer of Manchester's engagements to Newcastle.

The merger, which remains subject to confirmation by the Prudential Regulation Authority ('PRA'), will be conducted in accordance with the process set out in the Building Societies Act 1986 (the 'Act'). If the PRA confirms the merger, it is expected to become effective on 1st July 2023.

A Merger Notification Statement with further details of the merger will be sent to all eligible members of Manchester by the second week of April 2023.

Interested parties (which includes the members of both Manchester and Newcastle) will have the opportunity to make representations before the PRA decides whether or not to confirm the merger. Details of the process for this will be set out on the websites of both Newcastle and Manchester and will be advertised in various newspapers (national and local) in mid-April in accordance with the requirements of the Act.

The Newcastle Board looks forward to welcoming the members of Manchester as full members of Newcastle subject to the PRA confirming the merger.
