

A woman with blonde hair, wearing a white lace top and a dark apron, smiles warmly at the camera. In the background, a man with grey hair, wearing a light blue shirt, is seen from the side, reaching up to a shelf filled with various loaves of bread. The setting appears to be a bakery or a food store with warm lighting.

Introducing the Newcastle
Business Saver account

Connecting our communities
with a better financial future.

Make sure your savings do the work for you, with an easy access Business Saver account.

We believe that local business owners like you are key to driving growth and prosperity within our communities.

That's why Newcastle Building Society is committed to giving you the support you need, helping your business connect with a better financial future.

Your business Your savings account

Our Business Saver account has been designed to help you securely put away funds for short and long-term business goals.

The account:

- Is ideal for saving for your short-term goals such as tax, and longer-term objectives like expanding your business.
- Enables you to separate your day-to-day activity, and your business savings.
- Gives you easy access to your savings.
- Can be managed online if opened online, or managed in branch if opened in one of our local branches.

To open your Business Saver account, simply pop into your local branch or visit our website*:
