

Due Process Compliance Statement: IFRS 17 endorsement project

The IFRS 17 project was initiated before the UKEB was established and the Due Process Handbook (DPH) was drafted. The project informed the development of the DPH. The project team undertook the equivalent due process steps under the oversight of the FRC-BEIS Accounting Framework Project Board (Project Board) and Technical Sub-Board until the UKEB was delegated its statutory function for adoption of IFRS Standards in May 2021. From that date, the UKEB has developed its due process in parallel with its work on the IFRS 17 endorsement and adoption project. Therefore, a consistent approach has been used to the extent that the Board had made a tentative decision on a due process step at the time it was relevant to the IFRS 17 project.
