

Alice Band and Bow

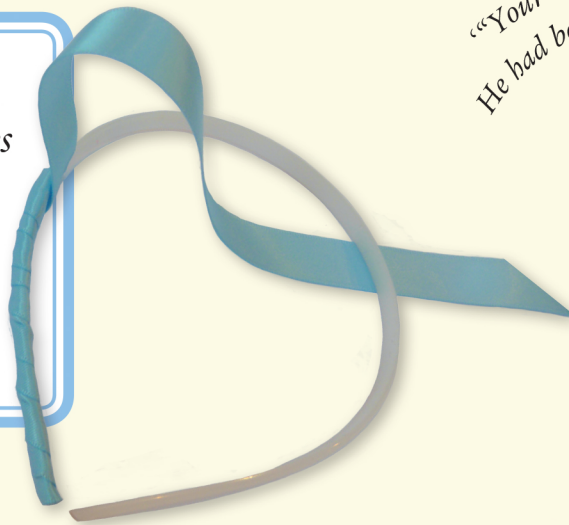

You will need:

Blue ribbon, approx. 2 metres

A plain plastic headband

Scissors

Glue

*“Your hair wants cutting,” said the Hatter.
He had been looking at Alice for some time.*

*“You should learn not to make personal remarks,”
Alice said with some severity; “it’s very rude.”*

What to do:

1. Cut a length of ribbon about 30cm long. Tie a neat bow at one end. Leave enough ribbon at the other end to tie around the headband and cut the bow off.
2. Glue one end of the long piece of ribbon firmly to one end of the headband. Spread glue along the band and slowly wrap the ribbon around it, working your way to the other end. Cut the ribbon and glue it down at the end.
3. When the headband’s dry, tie your bow around the top of it and glue down the ends to keep it secure.

You can ace your Alice costume by adding a blue dress or skirt, striped socks or tights and black school shoes. Add a white apron for the full Alice effect.
