

PHOTOCOPIABLE

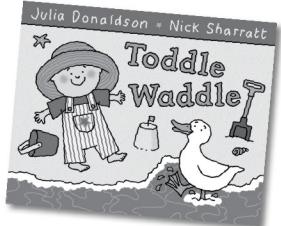

Toddle Waddle

Spot the Difference

Look very closely at these two pictures of the seaside.
Can you spot the five differences between them?

Answers: In the top picture 1) there is a frog on the railings 2) there are two shoes under the tram pole 3) there are four flowers around the sandcastle 4) there are two flip-flops in front of the picnic blanket 5) there is a bucket next to the spade.
