

End-Point Assessment for

ST0008 Leader in Adult Care V1.1

Level 5

Working as a leader in the adult care sector

The leader in adult care will guide and inspire teams to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges. They will be a leader of the care team and will develop and implement a values-based culture at a service or unit level. They may be responsible for business development, financial control, organisational resilience and continuity, as well as for managing risk and leading on organisational change.

Gateway requirements

Level 2 in English and maths (optional for 19+, please see funding rules) and Level 5 Diploma in Leadership and Management for Adult Care and completion of the observation of leadership plan.

End-point assessment methods

Observation of leadership and professional discussion.
