Question and Answer

Level 2 FA0001 Building
Service Engineering v1.0

On the day of this assessment you will carry out:

A 30-minute question and answer session

Remote or face-to-face

In a suitable, controlled environment free from
distraction

Marked by Highfield Assessment

Key point

The questions can be asked by the provider and the answers recorded and submitted to Highfield. Alternatively, the questions can be asked by a Highfield assessor.

Do

- Review the skills criteria associated with the question and answer – these can be found in the Assessment Specification and in the table at the end of this document
- Review relevant legislations, regulations and your organisation's policies and procedures
- Ensure a quiet room is available and that there are no interruptions
- Be prepared to answer at least three questions and any follow-up questions that your assessor may ask

Don't

- Forget to bring your ID
- Forget to plan

Next steps

- Results can take up to 7 working days to be confirmed
- Your manager or training provider will inform you of the results

Reattempts

- If you do not achieve a pass result on the question and answer, you can reattempt the assessment.

Use the table below to plan and prepare for the question and answer

(*) Knowledge and skills statements which offer opportunities to develop functional English and maths are identified with an asterisk.

Once completed, this table can be brought to the question and answer session. You may refer to it to support your answers.

Skills statements	Key points to remember
AO1 Health, safety, regulatory and environmental responsibilities	
S1 Comply with employee responsibilities under health, safety and welfare regulations. *	
S2 Use and store appropriate PPE.	

<p>S10 Dispose of waste safely and sustainably. Segregate resources for reuse and recycling.</p>
