

# Highfield Level 2 End-Point Assessment for ST0216 Healthcare Support Worker

## Evidence portfolio reflection template

The reflection template could be used to demonstrate the apprentices learning and application of knowledge in practice, their values and behaviours within their evidence portfolio.

Date:		Standard covered:		Outcomes covered:
<b>Introduction</b> Brief overview of what you intend to reflect on				
<b>Main body</b> Describe what happened, link this to concepts and theories if possible				

<b>Evaluation</b> What went well? What did not go well? Are there any concepts or theories to support this?	
What could you do to improve? How is this informed by concepts, theories or evidence?	

How would you put these improvements into practice next time? How does it inform future practice?	
<b>Conclusion</b> Summary of your main points
