

Liquid and Powder Coatings

# PPG Approved Applicators

**PPG has several tiers of applicators in the aluminum extrusion spray applied market to ensure high quality application of our liquid and powder solutions.**

## PPG Approved Coil Applicators

Approved coil coaters use the required equipment and facilities to apply PPG liquid coatings in accordance with PPG's specifications and recommendations. However, the coil coaters should be contacted directly regarding the maximum work size, pricing and delivery of coated aluminum and steel products.

## PPG Certified, Approved and Authorized Extrusion Applicators

PPG has three tiers of approved applicators in the extrusion liquid and powder spray applied market to ensure compliance with applicator parameters, cure schedule and other quality control standards enabling them to receive a material performance warranty from PPG.

## PPG Certified Applicators Program™ Members

The Certified Applicator Program (CAP) encompasses an elite group of extrusion coating applicators whose facilities and processes are quality-audited to help achieve color consistency and deliver the highest level of product quality, color harmony, customer service and technical expertise. CAP Members receive the below benefits:

- FGIA/AAMA 2605 testing – Bi-annual
- Enhanced warranties
- Priority technical service and support
- Priority color matching
- Priority project assistance
- Bi-Annual line audits
- Routine line visits

## PPG Approved Extrusion Applicators

Approved extrusion applicators have demonstrated they have the required equipment and facilities to apply PPG liquid and powder coatings in accordance with PPG's recommendations and have passed FGIA/AAMA performance testing. It is recommended that no applicator or product line decision be made without obtaining an applicator prepared, production line sample. Approved Applicators receive the below benefits:

- FGIA/AAMA 2605 testing-Every 5 years or production line changes
- Technical service
- Custom Color Matching
- Project Assistance

## PPG Authorized Extrusion Applicators

Approved Applicators receive the below benefits:

- Initial FGIA/AAMA testing
- Technical service when requested
- Color matching

## PPG: We protect and beautify the world®

### A trusted global coatings leader

Operations in  
70 countries

### Renowned color expertise

Trend-setting palettes  
for home, auto and industry  
paired with unrivaled  
color matching

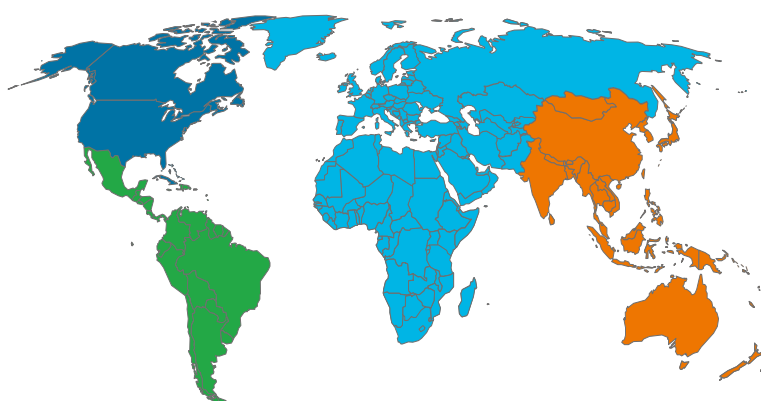

### Commitment to sustainability

Over 41% of annual sales  
from sustainably advantaged  
products and processes

### Dedication to innovation

Over 30 R&D®  
100 Awards received

## Industrial Coatings from PPG

- World-class technical services and training.
- Help meeting specific, coatings-related environmental mandates.
- Assistance setting up new equipment and identifying areas where your processes may be streamlined.
- Troubleshooting production issues.
- Secure Launch Excellence® accelerated custom product formulation and color development process.
