

Poppy Cat

Pairs Game

First you will need to glue this sheet to a thin piece of card so your cards will be stronger and last longer. Ask an adult to help you cut along the dotted lines.

Pairs Game Rules (two players)

1. Shuffle the cards and place them face down on a flat surface.
2. Player one turns over two cards. If the two cards are identical, he or she picks them up and "wins" that pair. If the two cards are different, he or she puts them back face down in the same place.
3. Player two repeats step 2.
4. The winner is the player who has won the most sets of pairs when all of the pairs have been won.
