

FOLD HERE

Make your own circus stage!

You can make your own circus ring and stage your own performances with this fun activity.

To make your performers, get a grown-up to help you carefully cut out the characters.

Take your pencil or pens and attach a performer to the blunt end of each with either sticky tape or Blu-Tack.

To make your stage, fold the stage along the fold and cut out the holes along the cut lines. If you want to make your stage last a bit longer then you can stick it to some cardboard.

Prop both sides of the back of your stage up against something (like a book or two) so that it stands up.

Now you can post the pencils or pens with the performers of your choice at the end through the holes on your stage.

You are ready to put on your show. How about performing the Singing Mermaid's show or making up something of your very own?

Enjoy the show!

You'll need

- Scissors
- 4 pencils or pens
- Blu tac or Sellotape
- Blu-Tack
