

WANT TO LOOK JUST LIKE LITTLE
MOUSE FROM LITTLE MOUSE'S BIG
BOOK OF BEASTS (AND LITTLE
MOUSE'S BIG BOOK OF FEARS!)?
HERE IS JUST THE HAT FOR YOU!

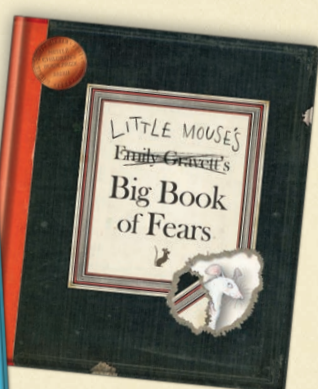

YOU WILL NEED:

- Scissors
- A stapler or sticky tape
- Colouring pens or pencils (optional)

AND a very responsible and grown up scissor and stapler operator!

INSTRUCTIONS:

- Cut around the outline of both sides of the mouse
- Cut out the circle with a swirl in it that will make up the tail
- Carefully cut around the line of the swirl all the way into the middle to make a curly tail for your mouse
- Taking your stapler or sticky tape attach the two sides of your mouse together at the edges of his neck, head, back and bottom.
- Attach his tail to his bottom
- Now you have a little mouse hat!
- You can colour in your mouse or really go to town by sticking decorations to him and making him into a BEAST!
