DINOSAUR ROAR!

BOOKSTORE ACTIVITY PACK

Dinosaur Roar! is a modern classic and one of the world's most beloved dinosaur picture books for children. Written and illustrated by Paul Stickland and Henrietta Stickland, it continues to delight young children and adults around the world.

We've put together a kit that has everything you need to host a ROARingly good Dinosaur Roar! event at your bookshop or library just in time for May half-term, or all-year round!

Your pack includes the following:

EVENT TIPS

TWO TO THREE WEEKS AHEAD:

- Pick a date and time for your event.
- Make copies of the Event Invitation. You can keep a stack next to your register, hang one in your window, and/or send them to those on your mailing list.
- Advertise your event in your store newsletter and on your website.
- Create a window display to promote your event.

ONE WEEK AHEAD:

- Photocopy a supply of the activity and colouring sheets in this pack for your event.
- Make arrangements to have plenty of pencils, crayons, and craft supplies available.

EVENT DAY:

- Decorate your event space using inspiration from the book.
- Be sure necessary materials are in place.
- Have plenty of copies of *Dinosaur Roar!* available!

READ-ALoud:

Dinosaur Roar! is a perfect read-aloud book for story time! Younger children will love the rhyming pattern – why not host a storytelling at your event?

- Choose a quiet, comfortable place in your store or library with enough room for kids to gather around.
- Read loudly, clearly, and slowly. This will give kids time to look at the pictures and visualize the story and characters.
- Be animated! The more expressive you are, the better.
- As you read, invite children to ask questions about the story, characters, pictures, and words.
- Engage kids in a discussion about the book afterwards. What did they think the story was about? Did they like it?
- And most importantly, have fun! If you're enjoying yourself, they will too!
