

REDUCING THE RISK OF AN OVERDOSE

- Use with people you trust
- Start with a test dose – a small amount to test the strength of your drug
- Test your drugs before using with a test strip or by sending a sample to WEDINOS
- Avoiding mixing with other substances
- Always carry naloxone

If you or anyone else is unwell call 999 or seek medical help straight away

Carry Naloxone - contact your local service or order a kit online
