OFFICIAL PROGRAMME

2025-26
NATIONAL CLUB CHAMPIONSHIPS FINALS

Lee Valley Hockey and Tennis Centre • Surbiton Hockey Club

2-4 May 2026

A FINAL WORTH REMEMBERING – GRAB YOUR OFFICIAL PRINTED PROGRAMME!

Out of all the teams across the country, you're one of the few who made it this far – so first things first, congratulations!

To mark the occasion, England Hockey provides a free digital programme for every final – available to download, keep, and print from:
www.englishockey.co.uk/competitions-and-events/programmes

BUT LET'S BE HONEST... SOME MOMENTS DESERVE MORE THAN A PDF.

That's why we've teamed up with passionate print partners to give you the chance to own a professionally printed, high-quality A5 colour souvenir programme – something special to keep in your memory box for years to come.

A little piece of history. Not just a programme.

ORDER YOUR HARD COPY PROGRAMME HERE:

**16–28 pages: £9.99 • Over 28 pages: £14.99.
Add results for £5.00.**

This process will be managed by our programme partners
JMS Creative.

SPECIAL TEAM DEAL...BUY 10 GET 10 HALF PRICE!

PLUS...

- **FREE inputting of results** (optional)
- **FREE photo page - send us your chosen photos and we'll replace this page in your printed programme with a montage of memories from your Big Day!** (Optional. Page will be placed next to the match schedule for your age group).

TOP TIP - thinking of a team bulk buy? Share the cost between the parents in your squad to ensure that every player gets a unique keepsake of their Big Day!

WELCOME

FROM RICH BEER, ENGLAND HOCKEY

We welcome teams, officials and supporters to the finals of our Tiered Club and Masters' Championships being played at Lee Valley Hockey and Tennis Centre, and alongside the culmination of the EHL at Surbiton Hockey Club.

66 teams have qualified for finals out an initial entry of over 650 across the 13 different competitions. The Women's Over 35s lead the way with over 100 entries. We are pleased that the changes to the Championships, with additional competitions for early rounds losers and revised Mens masters age groups have been well received. It is also good to see that each of the eight Areas has at least one representative here.

In the tiered championships it is great that there is a mix of regular participants and some new faces, especially in the lower tier finals. We are pleased to see the tiering system for championships based on the league pyramids that are in place around the country being well received and teams, at all levels, having their chance to play in the limelight.

Masters hockey is booming in the country right now. The eight Areas have introduced different

competitions to sit alongside the traditional Area Tournaments and international fixtures. We wish the various England teams every success in the forthcoming Home Nations tournaments as they prepare for World Cups later this year.

We know many masters players are the bedrock of clubs, taking on committee roles and ensuring lower XI hockey can happen, supporting younger club members in the process. Finals like the ones this weekend give players their chance to play in the spotlight with and against their peers.

Thanks must also go to the umpires and officials who give their time freely to run the finals in a structured and fair manner as well as our Hockey Makers who make these events happen. All of you are part of the thousands of people in our sport who continue to help hockey move forwards.

We thank the staff at Lee Valley Hockey and Tennis Centre and Surbiton Hockey Club for their support in hosting days like this which we hope will be memorable for you all. It's a busy few months here at and we hope that players will want to return to London to see our international teams in Pro League action later in the Summer.

CUP > TROPHY > VASE: EXPLAINED

At the start of each season, we aim to give each team at least three matches. Here is the journey they take.

CUP

TROPHY

VASE

For teams who lose their first or second match in Rounds 1 or 2 of the Cup

For teams who lose their first match in the Trophy.

SATURDAY'S PREVIEW

WOMEN'S OVER 45s CUP FINAL

Sevenoaks vs Harleston Magpies

The Women's Over 45s Cup Final brings together two sides who have earned their place at Lee Valley through grit, quality hockey and a real sense of togetherness.

Sevenoaks make their second Cup Final appearance in three seasons, backed by a squad that blends international experience with club loyalty. Their strength lies in their depth – from players who have competed at Olympic and Commonwealth Games to those who have represented every senior side in the club. Newer faces have added fresh legs and energy, while long-standing friendships, forged through years of Masters hockey and more than a few post-match gatherings, give the team its unmistakable spirit. Their route to the final has included tough battles, moments where resilience mattered, and contributions from every player across their five matches. Although only 16 can take the field today, the wider squad has played a huge part in getting them here, and the team is proud to represent the club on this stage.

Harleston Magpies arrive after a campaign full of strong performances and long-lasting memories. They opened with a confident win over Saffron Walden before edging past local rivals Norwich City in a lively derby that set the tone for their run. A trip into the unknown followed with an away tie at Southwell Brincliffe United, but Magpies handled the challenge superbly to move into the quarter-finals. Back at home, they dug deep to overcome a determined St Albans side in a tight contest. Their semi-final away at Sutton Coldfield was arguably their standout performance – a composed, clinical 3-0 victory that booked their place in today's final. For Magpies, the journey has been about more than results: meeting new teams, enjoying the Masters spirit, and taking real pride in reaching this stage.

With Magpies arriving on the back of a superb semi-final win and Sevenoaks bringing experience, depth and a strong sense of identity, this promises to be a high-quality final – competitive, spirited, and a fitting showcase of Masters hockey.

OPEN/MEN'S OVER 45s TROPHY FINAL

Khalsa Leamington vs Canterbury

The Open/Men's Over 45s Trophy Final brings together two sides who have put together strong, consistent campaigns to earn their place at Lee Valley.

Khalsa Leamington's route has been steady and assured from the start. Their campaign opened with a 4-2 away win at Harborne back in November. A narrow penalty shootout loss to Alderley Edge in January was a setback and turned their attention to the Trophy, but the group responded quickly. February saw a convincing 4-0 win over Witney, followed by a disciplined 1-0 victory away at Rugby. Confidence continued to grow, and a tight 2-1 result against Didsbury Northern kept their momentum moving in the right direction. Their semi-final against Clifton Robinsons was one of their most competitive matches of the season, edging a lively contest 3-2 to reach today's final. Across the campaign, Khalsa Leamington have shown reliability, organisation and the ability to manage close games well.

Canterbury arrive after a season that shifted direction early on but gathered strength as it went. They began in the Cup with a solid win over Old Williamsons before a last-minute defeat away at Hampstead & Westminster moved them into the Trophy competition. From there, they found their rhythm. An 8-0 win over Holcombe restored confidence, and a scrappy, hard-earned victory at Maidstone in the last 16 proved important in settling the group. A tough quarter-final away at Epsom followed, where

Canterbury showed good character to win 3-2 after being pulled back twice. Their semi-final brought a familiar opponent in Hampstead & Westminster, and this time Canterbury produced a composed 2-0 performance to progress. Canterbury's manager, Simon Downes, also acknowledges the contribution of coaches David Bunyan and Paul Surridge, along with manager Les Gurubatham, whose support has been central throughout the season.

With Khalsa Leamington arriving on the back of a consistent run and Canterbury building steadily through the knockout stages, this Trophy Final has all the ingredients for a competitive and well-matched contest.

OPEN/MEN'S OVER 65s CUP FINAL

Cambridgeshire Anglia vs Cheshire

This year's Men's Open/Men's 65s Cup Final brings together two sides who have taken very different but equally impressive routes to Lee Valley.

Cambridgeshire Anglia represent a blend of players from Cambridgeshire, Hertfordshire and Bedfordshire, many of whom still turn out for their clubs on Saturdays or take part in the well-supported Cambridge Masters midweek sessions. Their campaign began with a change from the usual early-round opponents, welcoming Chiltern B to Bedford. With the visitors unable to field a full side, the tie became a friendly, but Cambridgeshire moved on regardless. A strong 4-1 win away at Essex followed, highlighted by a hat-trick from their oldest squad member at 70 years old. A familiar fixture came next against London – the side who had edged them out on flicks last season. After another 0-0 draw, Cambridgeshire held their nerve this time to win 3-2 in the shootout. The semi-final took them to Southampton for a tight contest against Hampshire & Dorset A, a match featuring a remarkable number of Welsh and Scottish internationals across both squads. A well-taken short corner settled it, sending Cambridgeshire Anglia into the Cup Final for the first time after last year's Plate semi-final exit. They now face Cheshire in a rematch of last season's Plate final.

Cheshire arrive after a Cup run marked by control, consistency and a strong defensive record. Last year's Trophy winners opened with a tough tie against Yorkshire & Lincs A, producing two quick goals before half-time to take charge of a high-quality match. A repeat of the previous season's Trophy final followed, with Cheshire again overcoming Shropshire & Worcestershire, this time 3-0. They matched that scoreline in the quarter-final against Cumbria & NE Reivers, showing the same balance of organisation and attacking threat. Their semi-final away at Derbyshire & Notts was tight in the first half, but Cheshire gradually took control and finished 4-0 winners. Across their four matches they have scored 12 goals and conceded just one, earning their first appearance in the main Cup final.

With Cambridgeshire building steadily through a varied and competitive Anglia campaign, and Cheshire arriving with strong form and a clear identity, this final has all the makings of a well-matched and absorbing contest.

WOMEN'S OVER 55s CUP FINAL

Bournemouth & Dorset Wanderers vs Guildford

This year's Women's Over 55s Cup Final brings together two sides who have put together strong, confident campaigns to reach Lee Valley.

Bournemouth & Dorset Wanderers return to the final for the third consecutive year, aiming to defend the title they won in 2025. Their route this season has been steady and assured. A dominant 6-0 win over LX Ladies South set them off well, followed by a tight 1-0 victory away at Redland Wereys. A long gap before their semi-final added a little uncertainty, but they handled the occasion with composure. Up against a well-organised Ben Rhydding side, Bournemouth & Dorset Wanderers produced a disciplined performance, growing into the match and securing a 2-0 win to book their place in the final once again. With silver in 2024 and gold in 2025, they now look to complete another successful campaign.

Guildford arrive with an equally impressive record, having built momentum through a series of strong results. They opened with a hard-fought 2-0 win away at Sevenoaks, breaking through in the second half. A 9-0 home victory over Amersham & Chalfont followed, with seven different scorers and a hat-trick for Heidi. Their quarter-final brought another confident display, beating Burnt Ash 6-1 with goals shared across the team. The semi-final against St Albans was a much tighter affair – an end-to-end match featuring a missed penalty flick, a disallowed goal and plenty of tension. Guildford edged it 3-2, a result that carried extra meaning after losing to the same opponents two years ago.

Both teams arrive with strong form, reliable defences and players who have contributed across the pitch. Bournemouth & Dorset Wanderers bring the experience of back-to-back finals, while Guildford have built a convincing run marked by depth and consistency. It sets up a competitive and well-balanced final between two sides who have earned their place on the biggest stage of the Masters' season.

OPEN/MEN'S OVER 35s VASE FINAL

Sheffield University Bankers vs Burnt Ash (Bexley)

This year's Open/Men's Over 35s Vase Final brings together two sides who have shown resilience, consistency and the ability to handle tight knockout hockey.

Sheffield University Bankers reached the final through a series of composed and hard-earned performances. Their standout result came in a 4-2 home win over Didsbury Northern at Norton Sports Centre, with goals from Will Hearne, Peter Dixon, Stephen Davison and Chris Platts reflecting the depth of their attacking options. Their next major test came against Macclesfield, where Bankers recovered from 2-0 down to level the match through Davison and Robert Ross. They held their nerve in the shuffles, with goalkeeper Peter Clark making a key save and

Daniel Mckemey converting the winner. Those results underline the qualities that have carried them to the final: organisation, patience and the ability to respond well under pressure.

Burnt Ash (Bexley) arrive after a Vase campaign marked by high-scoring wins and strong away performances. They opened with a commanding 12-0 victory over Hailsham, followed by a 7-1 win against East London that reinforced their early momentum. The later rounds brought tougher challenges, beginning with a demanding away tie at Amersham & Chalfont. In a physical, end-to-end match, Burnt Ash edged a 4-3 win with a late goal. Less than 24 hours later they travelled again, this time to face Bristol & West, last year's other finalist. A disciplined display earned them a 2-1 victory and a place in the final. Having beaten both of last season's top two sides on their own pitches, Burnt Ash come into the final with confidence and a clear sense of identity.

With Sheffield University Bankers showing strong form in tight contests and Burnt Ash producing decisive performances at key moments, this Vase Final has the ingredients for a competitive and well-balanced match between two teams who have earned their place on the national stage.

WOMEN'S OVER 35s CUP FINAL

Bedford vs Sutton Coldfield

This year's Women's Over 35s Cup Final brings together two clubs with strong traditions and squads built on experience, depth and long-standing connections.

Bedford return to the O35s Cup Final for the first time since 2021 after a run of high-scoring, confident performances. Their early rounds set a clear marker, with wins of 9-1 against Cambridge South, 10-0 over St Ives and 12-0 against East London. A tougher challenge came in the quarter-final away to familiar Masters rivals Harlestone Magpies, but Bedford delivered a composed display to win 6-0 – despite playing 12 minutes without a goalkeeper. In the

semi-final they hosted Longridge, whose strong travelling support added to the occasion. A brace from Verity Mason-McLeod helped secure a 4-1 victory and a place in the final. Bedford's campaign reflects strength across the club: eight members of the squad also feature in the Ladies' 1st team that has just earned promotion back to the National League, including captain Emma Pinny. Led by England Masters legend Kelly Bingham and with 14 different goal scorers so far – player-coach Kate Costin leading the way with 13 – Bedford arrive with five wins from five, 41 goals scored and only two conceded.

Sutton Coldfield, the defending champions, have once again put together a strong and steady Cup run. Their opening match against Banbury was played in great spirit, before two challenging away fixtures tested their resilience. Wins at West Bridgford – a first-ever meeting between the clubs – and then at Khalsa Leamington kept their title defence on track. A walkover for their quarter-final meant a longer wait for their next outing, but the semi-final against Canterbury more than made up for it. In a close, back-and-forth match, Sutton found themselves level at 3-3 with five minutes remaining before scoring twice late on to secure their place in the final. With a squad featuring players who have competed together for more than two decades, Sutton now look to complete a third consecutive title.

With Bedford arriving in prolific form and Sutton Coldfield bringing the experience of back-to-back championships, this final promises a competitive and well-matched contest between two accomplished sides.

WOMEN'S OVER 35s VASE FINAL

Olton & West Warwickshire vs City of York

The Women's Over 35s Vase Final brings together two clubs whose campaigns have been shaped by depth, commitment and strong connections across their squads. Both Olton & West Warwickshire and City of York have grown

through the competition, building momentum round by round to earn their place at Lee Valley.

Olton & West Warwickshire return to Finals Day after an enjoyable and hard-earned run through this year's Vase. Their campaign began in the Cup with a narrow 4-3 defeat to Worcester, followed by an unavoidable withdrawal from the Plate due to injury and illness. Once in the Vase, they settled quickly. Wins over Newark (4-2), Banbury (7-0) and Stratford (7-2) carried them into a competitive semi-final against Barnes. Level at 0-0 at half-time, Olton produced a strong second-half performance to secure a 3-1 victory. A point of pride this season has been the make-up of their squad: every player has come from within the club, with representation from all six of their ladies' teams. With a lively, committed group and previous Finals Day experience, they are looking forward to the occasion and hoping to bring the Vase back to Olton.

City of York arrive after a campaign built on depth, commitment and a strong sense of club identity. Their squad brings together players from across the club – from the Ladies' 1s through to the 7s – along with a few guest additions, including an England O70s representative who has been an inspirational presence throughout the season. That breadth of experience has been one of their key strengths. A commanding 6-0 win in the opening round set the tone, followed by a disciplined 3-0 performance in the next stage. Their toughest test came in the final hurdle against Henley, where a tight 3-2 victory reflected the resilience and unity that has shaped their run. As the rounds progressed, the team sharpened their structure, built strong connections and grew in confidence. Reaching the final is a testament to the collective effort of the squad and the spirit within City of York Hockey Club.

With Olton bringing a fully home-grown squad and City of York arriving with a group that spans the breadth of their club, this Vase Final promises a competitive and well-balanced contest between two sides who have earned their place at Lee Valley.

OPEN/MEN'S OVER 35s CUP FINAL

Harleston Magpies vs West Bridgford

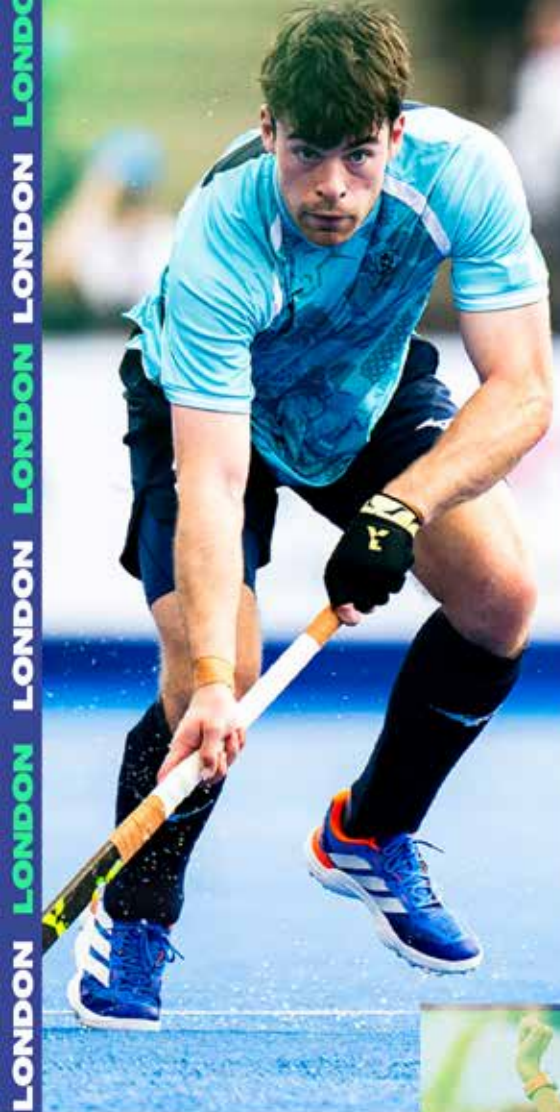

The Open/Men's Over 35s Cup Final brings together two sides whose journeys to Lee Valley could not be more different, yet both arrive with deep motivation and momentum. Harleston Magpies carry a long-running story of unfinished business, while West Bridgford have battled through one of the most dramatic knockout campaigns of the season.

Harleston Magpies arrive at Lee Valley carrying a story nearly two decades in the making. 18 years ago, a talented Magpies U18 side fell short in the boys' national finals – a moment that stayed with the group and sparked a promise to return one day and put things right. This season, that long-held ambition has taken shape, with 12 players who came through the club's junior system featuring on the road to the final. Their campaign began with a remarkable 21-0 win at Felixstowe, featuring 10 different goalscorers and five hat-tricks, before a strong home performance against Bishop's Stortford that included a stunning strike from left-back Andrew Bedwell. A composed win at Chelmsford set up a semi-final against a highly rated Surbiton side, where Magpies produced their performance of the season. Backed by a superb home crowd, they defended superbly, took their chances, and earned a memorable 3-0 victory. For a squad built on long-standing friendships and shared history, this final represents the chance to finally

claim the national outdoor title that this "Golden Galácticos Generation" has chased for so long.

West Bridgford return to national finals weekend after a campaign defined by resilience, nerve and an extraordinary ability to handle pressure. Their journey began unusually, with three early withdrawals from Bournville, Harborne and Hampton delaying their first competitive outing. When hockey finally arrived, they delivered a strong 5-1 win over Leeds Adel, overturning an early deficit with a composed and confident performance. Their quarter-final against Alderley Edge was one of the season's most dramatic ties. The match finished 2-2, and the shootout became a marathon... 4-4 after the initial set, 8-8 after sudden death, before Bridgford finally progressed 9-8. The semi-final against ISCA followed a similar pattern – a tight 1-1 draw, both goals from penalty corners, before another shootout. Once again, Nat Hammond delivered the decisive sudden-death shuffle, sending Bridgford to Lee Valley with a 4-3 win. They arrive hardened, battle-tested and ready for one final challenge!

With Magpies fuelled by a long-held ambition and West Bridgford arriving through sheer determination and shootout composure, this Men's Over 35s Cup Final brings together two teams shaped by very different journeys. Both have shown character, depth and belief throughout the competition. Whatever unfolds at Lee Valley, this final promises a fitting conclusion to two remarkable campaigns.

TIERED CHAMPIONSHIPS: EXPLAINED

At the start of each season, we aim to give each team at least two matches at a level appropriate to the league hockey they play. Here is the journey they take.

SUNDAY'S PREVIEW

OPEN/MEN'S PLATE FINAL

Haslemere vs Eastbourne

The Open/Men's Tier 2 Plate Final brings together two sides who have built momentum through competitive, hard-fought matches and shown the consistency needed to reach Lee Valley.

Haslemere's route to the final has been full of tight contests and strong responses under pressure. After a narrow opening match against Woking, they welcomed Ashford (Middlesex) and edged a dramatic 4-3 win thanks to a penalty corner converted after the final whistle. Their next outing took them to Old Williamsons, where they recovered from 3-0 down in the first quarter to win 6-4 in a lively, end-to-end match. The semi-final brought a long trip to Bowdon 2s and a cagey encounter that finished level, with Haslemere progressing after scoring four of their five shuffles. The squad features a blend of long-serving club members and players who have come through the junior section – something the club takes great pride in – and they now look forward to representing Haslemere on Finals Day.

Eastbourne arrive after a season shaped by consistency and a clear determination to turn previous near-misses into silverware. After finishing runners-up for three consecutive years, they entered this campaign with a strong focus on making another competition run. Their opening match set the tone, producing an 8-0 home win over Maidstone in front of a supportive crowd. A second home tie followed against Sutton Coldfield, where Eastbourne made a fast start to lead 3-0 before being tested by sustained pressure from the visitors. They managed the game well to secure a 3-1 victory and book their place in the final. Reaching this stage reflects the squad's cohesion and commitment, and they now look ahead to the opportunity to convert their consistent performances into long-awaited success.

With Haslemere coming through a series of close, high-intensity matches and Eastbourne arriving with strong form and a clear sense of purpose, this Plate Final promises a competitive and well-balanced contest between two ambitious sides.

OPEN/MEN'S TROPHY FINAL

Sheffield University Bankers vs Jersey

The Open/Men's Tier 2 Trophy Final brings together two sides who have built strong, confident campaigns and shown the consistency needed to reach Lee Valley. Both Sheffield University Bankers and Jersey have handled tight knockout matches well, earning their place in what promises to be a competitive final.

Sheffield University Bankers return to Lee Valley looking to go one step further than last season, when they reached the Tier 2 Plate final against Ashford. For many in the squad that was their first experience of a national final, and although they left with silver, it set a clear benchmark for what they wanted to achieve this year. The group began the season with a refreshed squad and a clear target – win the league. They delivered on that ambition, securing promotion to the North Conference for 2026-27, while the Men's 2s also claimed their league title to complete a landmark year for the club. That momentum has carried through the Championships. A tight 1-0 win over Beeston 2s before Christmas set their run in motion, followed by a strong 4-0 victory against local rivals Sheffield 2s in the quarter-finals. Their semi-final against Preston was the most dramatic of the campaign, finishing 4-4 in an end-to-end contest before Bankers held their nerve to win the shootout 3-1. With league success already secured and confidence high, the squad arrive at Lee Valley eager to finish the season with national silverware.

Jersey's route to their first ever Tier 2 Championship final has been a standout chapter in the island's hockey history. Entering in Round 2 after a bye, they opened with a hard-fought 3-2 win over Epsom, with goals from Ben Heelis, Peter Millar and Jamie Bolton-Grange setting the tone for a side comfortable in close contests. Another tight match followed in the quarter-finals, where Jersey edged Woking 3-2 thanks to contributions from Tom Millar, Bolton-Grange and Heelis once again. Their semi-final against Tunbridge Wells was another composed performance, securing a 2-1 victory through goals from Robbie Forrest and Tom Millar. The squad blends experienced players with emerging talent, and team manager Richard Gilpin has played a key role throughout the campaign. Their run has been built on togetherness, belief and steady improvement, and reaching the final is a significant achievement for the group.

OPEN/MEN'S SHIELD FINAL

Clifton Robinsons 4 vs Woking 3

The Open/Men's Tier 3 Shield Final brings together two sides who have grown through the competition, handling tight matches and long away trips to earn their place at Lee Valley.

Clifton Robinsons' route to the final has been shaped by resilience and steady momentum. They opened with a hard-fought 2-1 win over Yeovil before building confidence with a 4-0 away victory at Nuneaton. Another assured performance followed in a 3-0 win against Maidenhead, setting up a demanding semi-final against Tulse Hill & Dulwich. Trailing by two goals, Clifton Robinsons showed real character to turn the match around and win 3-2, securing their second consecutive appearance in the final. With 12 goals scored and just three conceded across four matches – shared among eight different scorers – the squad has demonstrated depth and unity throughout the campaign. After falling short in last year's final and winning their league on the final day of the season, they

return determined to complete the job with a league-and-cup double.

Woking 3s arrive after a campaign that has gathered strength round by round. Their journey began with a late equaliser and penalty shuffle defeat away to East Grinstead 3s, but they responded well. A draw and shuffle win against Leatherhead, followed by a forfeit from Hailsham, carried them into the quarter-finals. There they produced an excellent performance against Leicester 1s in an end-to-end match, progressing once again via shuffles. The semi-final brought a long trip to Middlesbrough to face Marton Furness 1s, where Woking secured their first regulation-time victory of the competition – a 3-2 win sealed by what the scorer described as "a screamer". The result booked Woking's first ever appearance at Lee Valley, and the squad now looks forward to showcasing their hockey on Finals Day.

With Clifton Robinsons returning with unfinished business and Woking 3s arriving after a series of hard-earned results, this Shield Final promises a competitive and spirited contest between two determined sides.

OPEN/MEN'S VASE FINAL

Stockton 2 vs Tulse Hill & Dulwich 2

The Open/Men's Tier 3 Vase Final brings together two sides who have built strong momentum through competitive matches, long away trips and consistent team performances. Both Stockton and Tulse Hill & Dulwich have shown resilience throughout the competition and now meet at Lee Valley with a place in club history at stake.

Stockton's route to the final has been shaped by determination and a squad that blends youth and experience, with players ranging from 16 to 55. Newly promoted into YNE North East Division 1, they entered the competition with freedom and have grown with every round. Their campaign began with a lively 7-4 win over Boston Spa, followed by a trip to league rivals Gateshead

where they recovered from 2-0 down to draw 2-2 before winning the shootout. A Valentine's Day fixture against Manx brought a 3-1 home victory, and the quarter-final saw Stockton travel to North Stafford, edging a tight 3-2 contest. Their semi-final against the British Army Men was their most commanding performance, combining disciplined defending with sharp counterattacks to win 6-2. It has been a demanding run, but Stockton arrive with confidence and a clear belief in their ability to finish the job.

Tulse Hill & Dulwich 2s return to Finals Day after a campaign built on determination and consistency. Their title defence began with an intense all-club meeting against THD M3s, securing a 3-1 win to open their run. Round 2 took them to familiar South London rivals Teddington M3s, where they travelled with only 11 players but produced an impressive 2-1 victory. The quarter-final saw TH&D host Crawley M1s in a back-and-forth match, before a dominant second-half display turned it into a 5-0 win. A tough semi-final followed against Atherstone Adders, champions in the Midlands, with both sides producing strong attacking hockey. TH&D edged a lively contest 4-3 to book their place in back-to-back national finals.

With Stockton arriving after a series of hard-earned wins and Tulse Hill & Dulwich returning with the experience of last year's success, this Vase Final promises a competitive and well-matched contest between two ambitious squads.

OPEN/MEN'S SALVER FINAL

Sandbach vs Warrington

The Open/Men's Tier 4 Salver Final brings together two North West clubs who have built strong, determined campaigns to reach Lee Valley. Both sides have handled tight matches, long journeys and high-pressure moments, earning their place on the national stage.

Sandbach return to the final for the second consecutive year, aiming to go one step further after last season's dramatic 3-3 draw and shootout defeat. Reaching back-to-back finals is a landmark achievement for the club and reflects the consistency, ambition and resilience that have defined this group. Despite being a relatively small club with a youthful squad, Sandbach have continued to exceed expectations throughout the competition. Their route has included standout wins over higher-league opposition, beating both Horwich 1s and 2s, as well as a tense home victory against Hampton-in-Arden. They also proved their strength on the road with an impressive result against Plymouth's Ocean City. Blending emerging talent with experienced heads, Sandbach have built momentum at every stage. Today's final offers the chance to complete the journey and secure a historic Tier 4 title.

Warrington arrive at their first ever national final – a remarkable achievement for a club representing the greenest end of grassroots hockey. After reaching two semi-finals in recent seasons, their commitment to the travelling cup adventure has continued to grow, and this year's run has been as quirky as it has been memorable. Their campaign began with a tough baptism of fire in a 7-0 defeat away to Leicester & Westleigh, but the squad regrouped well to knock out West Derby in the Salver. A frozen pitch away at Newcastle saw them progress further, followed by Triton HC being unable to field a team, sending Warrington into the semi-finals. Their standout performance came in a spirited, good-natured contest against Surbiton – the biggest club in the country – played with Premier Division Phase 3 playoffs happening in the background. Warrington rose to the occasion and secured their place at Lee Valley with another impressive result.

With Sandbach returning to the national stage with unfinished business and Warrington arriving after a unique and determined cup run, this Salver Final promises a competitive and engaging meeting between two ambitious North West sides.

OPEN/MEN'S BOWL FINAL

Weston-Super-Mare vs West Hampstead 4

The Open/Men's Tier 4 Bowl Final brings together two sides who have built strong, confident campaigns through a mix of disciplined performances, long away trips and steady momentum. Both Weston-Super-Mare and West Hampstead 4s have earned their place at Lee Valley with consistent, well-managed hockey.

Weston-Super-Mare's route to the final has been marked by control, composure and a growing sense of belief. Their campaign began on 1 November with a convincing 6-1 win over Ocean City M2, followed by another dominant display in a 5-0 victory against University of Bath Men 6. The Last 16 brought a tougher test against University of Bath Men 5, where Weston showed resilience to secure a 2-1 win against higher-ranked opposition. A composed 4-1 quarter-final performance against London Edwardians M4 kept their run moving, before a dramatic 3-2 semi-final win over Beeston 5 sealed their place in the final. With strong support from sponsor **FCC** and a squad that has grown in confidence throughout the competition, Weston-Super-Mare now look to finish their campaign on a high.

West Hampstead 4s arrive with a squad that reflects the depth and breadth of one of London's largest clubs. Made up of 31 different players from the Men's 4s, 5s, 6s and 7s, and coached by the Men's 2s captain, the team embodies the club's inclusive and wide-reaching hockey community. Their campaign began with a hard-fought 5-3 win over local rivals Winchmore Hill & Enfield, followed by a 9-1 victory away at Old Reigatian on a bright mid-December afternoon. A bye in Round 3 set up a quarter-final against Tulse Hill & Dulwich M4, where West Hampstead edged a tense North-South London contest 2-0. The semi-final against Leicester Westleigh was a more open affair, with late goals adding gloss to a strong 6-2 performance. Now this Ship of Theseus sails on to Lee Valley.

31 players. One team. And one final challenge...

With Weston-Super-Mare arriving after a composed and confident run, and West Hampstead 4s bringing the depth and energy of a squad drawn from across the club, this Bowl Final sets up a competitive meeting between two sides who have earned their place at Lee Valley. Both teams have shown consistency and resilience throughout the competition, and the stage is now set for a fitting conclusion to their campaigns.

OPEN/MEN'S OVER 45s VASE FINAL

City of Peterborough vs Old Williamsons

The Open/Men's Over 45s Vase Final brings together two sides who have navigated a mix of challenging draws, availability hurdles and tight knockout matches to reach Lee Valley. Both City of Peterborough and Old Williamsons have built momentum at key moments, earning their place in what promises to be a lively and competitive final.

City of Peterborough's campaign has unfolded against the backdrop of a demanding Sunday schedule, with juniors, rearranged league fixtures and Masters trials all affecting availability. Their Cup run began with a tough draw against a strong Blueharts side, resulting in a 7-1 defeat. A second-round meeting with Harleston Magpies could not be fulfilled, sending them into the Vase. From there, their form turned sharply. A commanding 5-0 win away at Ipswich ES – including a Gary Hales hat-trick – set the tone, followed by a walkover against Harleston Magpies in the next round. The quarter-final away at West Herts was a dramatic contest, finishing 3-3 before Peterborough edged the shootout 5-4. With a near full-strength squad at last, they produced their best performance of the campaign in a 7-2 semi-final win over Bristol Firebrands, featuring a hat-trick from Gareth Andrew. They now head to Lee Valley ready for one final challenge.

Old Williamsons' route to Finals Weekend has been built on camaraderie, atrocious

banter, wildly inconsistent hockey, and industrial quantities of paracetamol, Voltarol and Deep Heat. Entering the competition on deadline day, the squad were keen to shine, but tough away fixtures at Canterbury and Maidstone didn't go their way – despite goals from Spoony, Kev and Philpy, and an outstanding performance from goalkeeper Dickie Dalton. Rather than letting early setbacks derail them, the group rallied. Motivational half-time words from Thomo and Gommie helped forge a more cohesive team dynamic and restore belief. Their fortunes turned in the Vase: a battling draw against Woking, sealed by an early goal from Harps, was followed by a confident shootout win. A trip to Leighton Buzzard came next, with a birthday party the night before leaving a few legs heavier than usual, but the return of talisman Muzzar inspired an 8-1 victory – with Bazza and Kev locked in a friendly scoring contest. A home semi-final against Deeside Ramblers, played in sweltering heat with the club dinner looming, saw the Willies dig deep for a 5-2 win. Now on a three-game winning streak, they head into Finals Weekend not just as a team, but as a family, chasing one final moment for club pride and glory. Up the Willies!

With City of Peterborough arriving after their strongest performance of the season and Old Williamsonians carrying momentum – and plenty of personality – into the final, this Vase showdown promises a competitive and memorable contest between two committed squads.

OPEN/MEN'S OVER 45s CUP FINAL
Alderley Edge
vs Old Cranleighan

The Men's Over 45s Cup Final brings together two sides who have produced strong, consistent campaigns to reach Lee Valley. Alderley Edge arrive after a series of hard-earned wins against high-quality opposition, while Old Cranleighan return as reigning champions with another dominant run behind them.

Alderley Edge's route to the final has showcased resilience, late-game composure and the ability to perform both home and away. Their campaign has included home victories over Deeside Ramblers, Ben Rhydding and Banbury, but their most dramatic moments came on the road. At Sheffield Bankers, they came from behind with late goals from Matt Hardy and Dave Dowdall to secure progression. The following round at Khalsa Leamington was even tighter, with an overtime short corner from Ali Ghazanfar taking the match to penalties. Their semi-final against Blueharts was a more controlled performance, with well-taken goals in each of the first three quarters from Joe Coxon, Scott Ashdown and Ghazanfar. A late Blueharts surge narrowed the scoreline, but Alderley Edge held firm for a 3-2 win and a place in the final.

Old Cranleighan's Men's Over 45s return to the final as defending champions, having carried their title-winning form into this year's competition. Their campaign began with a 10-0 victory over Fleet & Ewshott, followed by another emphatic 10-1 win against Eastcote. A composed 4-0 performance against Hampstead & Westminster in Round 3 underlined their balance of attacking threat and defensive solidity. The quarter-final brought their sternest test, drawing 2-2 with ISCA before holding their nerve in the shootout – a reminder of their experience in high-pressure moments. They returned to dominant form in the semi-final, beating Portsmouth 4-1 to secure their place at Lee Valley once again. Across five matches, Old Cranleighans have scored 30 goals and conceded just four, reflecting the consistency and control that have defined their campaign.

With Alderley Edge arriving after a series of tight, well-managed contests and Old Cranleighan looking to defend their crown after another prolific run, this Cup Final sets up a compelling meeting between two accomplished and confident sides.

MONDAY'S PREVIEW

OPEN/MEN'S OVER 55s CUP FINAL Reading vs Canterbury

The Open/Men's Over 55s Cup Final brings together two experienced and well-drilled sides who have navigated contrasting but equally compelling routes to Lee Valley. Reading return as defending champions, while Canterbury arrive after a run defined by tight scorelines, long journeys and a growing sense of momentum.

Reading's Men's O55s are no strangers to this stage. As reigning champions – and six-time winners of the O50 Championship in the past decade – they return with both pedigree and purpose. Their route to the final was largely controlled in the early rounds, with wins of 4-2, 12-0 and 7-0 against Trojans, Guildford and Taunton. A tougher quarter-final followed against Southgate, where a late goal secured a 3-1 victory. The semi-final against Stourport delivered the most dramatic moment of their campaign. After conceding late to make it 2-2, Reading lost their goalkeeper to injury and were forced to pad up an outfield player for the closing minutes – and for the penalty shootout. Against the odds, they held Stourport to 3-3 in the initial barrage before winning in sudden death, securing a remarkable place in the final. With last year's title and a desire to avenge their only recent final defeat – against today's opponents – Reading return with clear motivation.

Canterbury's Men's Over-55s have enjoyed a memorable, if occasionally nerve-testing, journey of their own. Their campaign began quietly with a walkover against Marden Russets, before edging past local rivals Holcombe 1-0. That result set the tone for a run of identical scorelines: a 1-0 win away at Old Georgians and another 1-0 victory at home to Epsom, ensuring match reports remained concise. The semi-final, however, broke the pattern. A meticulously planned 600-mile round trip to Stockton-on-Tees – complete with travel disruption, cancelled

trains and admirable restraint around the Wetherspoons attached to the team hotel – ended with Canterbury producing their most expansive performance of the competition in a 3-1 win. With confidence rising and their one-goal ceiling finally lifted, Canterbury now look forward to renewing their rivalry with Reading.

With Reading defending their crown and Canterbury arriving with momentum and a sense of unfinished business, this Over 55s Cup Final promises a competitive and well-matched contest between two seasoned sides.

WOMEN'S OVER 35s TROPHY FINAL Bishop's Stortford vs Slough

The Women's Over 35s Trophy Final brings together two squads who have built their campaigns around connection, experience and the enjoyment of playing together. Both Bishop's Stortford and Slough arrive at Lee Valley with strong identities and a clear sense of what this competition means to their groups.

Bishop's Stortford launched their Cup campaign in style with a commanding 6-2 win over Colchester, fielding a squad drawn from across their 1s to 9s – a reflection of the club's depth, inclusivity and spirit. After a narrow defeat to Harleston Magpies moved them into the Trophy, they found their rhythm quickly, progressing confidently through Crostyx, Ipswich and Broxbourne. Their quarter-final against Oxted proved a far sterner test, going right to the wire and ultimately being decided by shuffles. Goalkeeper Alison Martyn delivered a calm, decisive performance to send Stortford through. The semi-final against Cannock was equally intense, with both sides battling relentlessly. Once again, the match went to shuffles – this time to sudden death after the first five attempts were tied. Martyn held her nerve

superbly, producing another outstanding display to secure victory. It was a landmark moment for the club: a first-ever appearance in a national final, achieved on home turf and made even more special by the large, passionate crowd who turned out to support them. Stortford now arrive at Lee Valley proud of their journey and ready for one final challenge.

Slough's Women's O35s are a close-knit group built on long-standing friendships, shared history and a deep connection to their club. Many of the squad have grown older together in Slough's pink and black, with a few newer teammates – now firm friends – adding to the blend. As their Saturday league side gradually aged, with several "retirees" never quite allowed to retire, the group embraced the chance to come together on selected Sundays for hockey played at their own pace and in their own style. Their Trophy run has been shaped by enjoyment as much as performance, made even more meaningful by players returning from illness, injury and pregnancy to take the field together again. For Slough, this final is a celebration of the club that brought them together many years ago, and of the friendships that now carry them into an O35s national final.

WOMEN'S OVER 45s VASE FINAL Sonning vs Manx

The Women's Over 45s Vase Final brings together two squads whose journeys have been shaped by commitment, character and a genuine love of Masters hockey. Sonning and the Isle of Man arrive at Lee Valley with very different routes behind them, but both have shown resilience and togetherness to reach the national stage.

Sonning's Ladies Over 45s – affectionately known as the Sonning Legends – have enjoyed an entertaining and hard-earned run to the final. A narrow 2-0 defeat to Oxford Hawks in the Cup sent them into the Trophy, but also brought injuries that forced them to forfeit their next match. Once recovered, the Legends rediscovered their rhythm in the Vase

with a superb 5-0 win away at Oxford HC. A competitive quarter-final against Wimborne Wayfarers brought out their best, ending in a confident 4-1 victory. The semi-final at home to Norwich Dragons required composure after conceding a first-half penalty stroke, but Sonning responded brilliantly, producing their strongest half of the season to win 4-1. The Legends take pride in their hospitality – famously offering cheese and port to visiting teams – and in the fact that their squad includes players from all five of the club's ladies' sides. They also celebrate their goalkeeper Sue, the "original Legend", whose age remains a closely guarded secret. Sonning now arrive at Lee Valley ready to showcase their spirit once again.

The **Isle of Man** Women's Masters O45s have taken the long road – literally – to reach the Vase Final. Their campaign has covered more than 1,400 miles, over 100 hours of travel and an extraordinary 14 ferry crossings, seven of which were disrupted. On four occasions, players checked into hotels at 2am, testing patience, flexibility and life choices. Yet through all of it, the "ladies in red" have shown remarkable commitment. Seven fixtures later, with a healthy match-to-goal ratio and a squad drawn from across the island, they have become only the fourth Isle of Man side ever to reach a national final. Their determination has been matched by attacking flair and a strong Masters spirit. Off the pitch, the minibus became a travelling clubhouse – full of laughter, bonding and the occasional navigational mishap – supported by three dedicated drivers who kept the team moving. This achievement marks a significant milestone for Manx hockey and a proud moment for the island's sporting community.

With Sonning arriving after their strongest performance of the season and the Isle of Man carrying the momentum of a truly epic journey, this Vase Final promises a spirited and memorable contest between two teams who embody everything Masters hockey stands for.

WOMEN'S SALVER FINAL

Lindum 3 vs Tulse Hill & Dulwich 4

The Women's Salver Final brings together two sides who have built their seasons on commitment, cohesion and strong team identity. Lindum 3s and Tulse Hill & Dulwich 4s arrive at Lee Valley with contrasting journeys but shared momentum as they look to close out their campaigns on the national stage.

Lindum Ladies 3s have enjoyed an exceptional season, going unbeaten to secure their league title through consistent, disciplined performances. Their balance of defensive organisation and clinical finishing has been a defining strength, helping them navigate challenges with confidence. That form carried into the knockout stages, where teamwork and composure saw them progress through tough fixtures and earn their place in the final. With belief high and a remarkable season already behind them, Lindum now look to finish their campaign in fitting style.

Tulse Hill & Dulwich W4 have built impressive momentum throughout the Salver after being unable to travel in the opening round of the T4 Bowl. Their run began with a trip to Sevenoaks, producing a convincing 6-1 win, followed by a Valentine's Day visit to Brighton & Hove where they edged a competitive match 2-1 – celebrations in local establishments naturally followed. Their final played fixture brought another strong performance, a 5-1 victory over Redhill 1s, before a walkover in the last round confirmed their first appearance at Finals Weekend. This year's squad brings together players from the W4s and W5s, captained by Ruth Grimoldby and supported by a refreshed coaching team led by Guynain international Marvin Dannett and Men's Club Captain Sam Close. The group now arrive at Lee Valley with confidence and a sense of opportunity.

With Lindum looking to cap an outstanding season and Tulse Hill & Dulwich carrying the momentum of a confident cup run, this Salver

Final promises a lively and competitive meeting between two ambitious squads.

WOMEN'S VASE FINAL

Beeston 3 vs Nuneaton

The Women's Vase Final brings together two sides who have shown resilience, belief and a flair for tight knockout hockey. Beeston 3s return with the confidence of a title-winning league season, while Nuneaton arrive after a remarkable run built on nerve, determination and a mastery of the penalty shuffle.

Beeston Ladies 3s have battled their way to the final in true Beeston style, showing resilience, teamwork and plenty of sting along the way. Their campaign almost ended at the first hurdle, drawing 3-3 with Stafford before holding their nerve in shuffles to stay alive. From there, the squad began to buzz. A dominant 7-1 win showcased their attacking threat, followed by a strong away victory and a composed 3-1 semi-final performance to secure their place in the final. This run has strengthened a young group who feature only two players from last year's cup-winning side. Fresh from securing promotion into Midlands Division 1, they arrive with confidence, unity and a hive mentality that has grown with every round. With a swarm of black and yellow behind them, Beeston are buzzing to defend their title.

Nuneaton Ladies 1s began the competition unsure whether they would win their first match, having been placed in a higher tier – but their belief grew quickly. A hard-fought 1-1 draw against Bretforton followed by a 3-1 shootout win set the tone. Another shootout success came in the next round after a 3-3 encounter with Berkhamsted & Hemel Hempstead. The quarter-final brought a trip to London Edwardians, where a tight 0-0 draw led to yet another shootout. Outstanding saves from goalkeeper Emma Chester kept everything out, and Anna Whitmore sealed a 1-0 shuffle victory. Back at home for the semi-final, Nuneaton produced a composed performance, scoring twice early and holding firm during Andover's comeback to win 2-1. Now, after a run defined by grit, calmness

under pressure and unwavering support from their club, Nuneaton look forward to their final challenge against Beeston, ready to deliver their best performance yet.

With Beeston aiming to retain the trophy and Nuneaton arriving after a series of dramatic, hard-earned victories, this Vase Final promises a competitive and spirited contest between two ambitious sides.

OPEN/MEN'S OVER 55s TROPHY

Clifton Robinsons vs Old Georgians

The Open/Men's Over 55s Trophy Final brings together two squads whose seasons have been shaped by connection, shared experience and a strong sense of identity. Clifton Robinsons arrive after a campaign built on collaboration across several clubs, while Old Georgians Phoenix reach the final through a run defined by resilience, quality and long-standing friendships.

Clifton Robinsons' O55s have enjoyed a fantastic cup journey, playing old friends and making plenty of new ones along the way. The squad is a unique blend – a collective drawn from five or six clubs across the Bristol and Bath area – and this competition has provided the perfect platform for long-time rivals to come together as teammates. Their run began in familiar South West territory, with a win in heavy rain against Ocean City followed by a narrow penalty-flick defeat to Taunton Vale. A successful trip to Stratford set up a meeting with long-standing nemesis ISCA, where Clifton secured a hard-earned 2-1 victory. Shrewsbury were next to make the journey to Bristol, before a semi-final against Ben Rhydding completed a route that mixed lifelong opponents with clubs they had never previously faced. The squad also acknowledge the vital support of sponsor **Quilter Cheviot**, whose backing has helped make the campaign possible. Now, with excitement building, Clifton Robinsons look forward to meeting Old Georgians in what promises to be a special final.

Old Georgians Phoenix have battled their way to the final with a campaign full of grit, quality and outstanding team spirit. Based at St George's College, the Phoenix squad is built on long-standing friendships and a shared enjoyment of competing hard on the pitch – and celebrating together afterwards! Their run began in the main Cup with a thrilling 3-2 win over Old Cranleighs, followed by a narrow 1-0 defeat to Canterbury in a fiercely contested third-round match. Entering the Trophy, Phoenix responded with trademark togetherness, beating Guildford 3-1 in the last 16 before producing one of their best performances to defeat Holcombe 4-0 in the quarter-final. A lively semi-final against Witham saw them show both spirit and attacking quality in a 5-3 win, securing their place in the final. With one match remaining, Old Georgians Phoenix carry forward the values that define them: friendship, loyalty, laughter and a deep love of the game.

With Clifton Robinsons celebrating a season of connection across clubs and Old Georgians Phoenix arriving with momentum and unity, this Trophy Final promises a spirited and memorable contest between two sides who embody the very best of Masters hockey.

WOMEN'S OVER 55s TROPHY

Epsom vs Timperley

The Women's Over 55s Trophy Final brings together two experienced squads who have built their campaigns on resilience, familiarity and the shared enjoyment of Masters hockey. Both Epsom and Timperley arrive at Finals Weekend with strong identities and well-earned momentum.

Epsom's route to Lee Valley has been shaped by consistency, togetherness and a squad who have embraced the spirit of the competition. They opened their campaign with a 2-1 win away at South Berkshire, with Sarah and Lou providing the goals. A narrow 3-2 defeat to St Albans followed despite two excellent finishes from Nettie, moving Epsom into the Plate pathway. They responded strongly, beating Canterbury 3-1 at home through goals from Ali V,

Ali W and Lenny, before a composed 2-0 victory at Burnt Ash with strikes from Pam and Sarah. Their semi-final brought a return to Wokingham on a hot afternoon, where Epsom delivered a confident 4-0 win thanks to Julia's brace and further goals from Lenny and Pam. The squad now heads into the final after a quick turnaround, reflecting on a campaign they have thoroughly enjoyed against competitive but always friendly opposition.

Timperley entered this year's Championships buoyed by last season's success, having lifted the EH Trophy in Nottingham. Their Cup campaign began with a familiar road trip to Yorkshire to face long-standing friends and rivals Ben Rhydding. It proved a tight and competitive opener, finishing 2-2 before Timperley were edged out 4-3 in the shootout. Moving into the Trophy, they hit their stride quickly. Another journey up the M62 – this time to Wakefield to face LX Ladies North – brought a commanding 9-0 win. A return home for the next round produced a much closer contest against Driffield, with Timperley coming through 3-2 in another fiercely competitive match. A bye in the quarter-finals meant a long wait for their semi-final, but the team delivered once again, edging a nine-goal thriller 5-4 against Bedford to secure back-to-back appearances at Finals Weekend.

With both sides carrying strong form and deep squad familiarity, the Women's Over 55s Trophy Final promises a competitive and well-matched contest between two teams who have grown through the competition and now stand one game from national silverware.

WOMEN'S SHIELD FINAL

Cheam vs Burnt Ash (Bexley)

The Women's Shield Final brings together two sides who have built their campaigns on determination, togetherness and the ability to perform in high-pressure moments. Cheam

and Burnt Ash (Bexley) arrive at Lee Valley after strong, confident runs that have showcased their resilience and attacking quality.

Cheam are immensely proud to reach the Tier 3 Shield Final after a series of high-scoring, hard-fought performances – and plenty of miles on the road. Their campaign opened with a commanding 6-2 win over Camberley & Farnborough, the first step in a run that has produced 16 goals so far. A lively 6-4 victory against Gillingham followed, securing their place in the semi-finals. The squad then travelled to Sutton-in-Ashfield, preparing with an overnight stay before facing Ashfield Aztecs in a match that delivered everything: sunshine, torrential rain, hail and a dramatic 4-3 win. Cheam credit their supporters – who endured the hail alongside them – for helping push the team through each round. As a proud family club, they now look forward to stepping onto the pitch for the final with the backing of their whole community.

Burnt Ash (Bexley) have fought their way into the final through a resilient and high-scoring run. Their campaign began with a gritty 2-1 away win at Ipswich-East Suffolk, a result that set the tone for their ability to dig deep when needed. Back on home turf, they delivered a clinical attacking display to beat Ashford (Middlesex) 5-2, before facing a challenging semi-final trip to Charnwood Forest. There, disciplined defending and sharp finishing secured a decisive 3-1 victory. Having navigated tough away fixtures and produced confident performances at home, Burnt Ash arrive at Lee Valley in excellent form and ready to challenge for the Shield.

With Cheam bringing momentum from a goal-filled campaign and Burnt Ash arriving after a composed and consistent run, this Shield Final promises a competitive and entertaining meeting between two ambitious sides.

WOMEN'S TROPHY FINAL

Guildford 3s vs Liverpool Sefton

The Women's Trophy Final brings together two in-form sides who have combined consistency, confidence and strong team identity throughout their campaigns. Guildford 3s arrive after an unbeaten league season and a series of composed knockout performances, while Liverpool Sefton reach Lee Valley with momentum from a run defined by control, discipline and a touch of flair.

Guildford 3s have delivered an impressive sequence of results to reach the final, blending resilience, discipline and attacking quality across four rounds. Their journey began with a hard-fought 2-1 away win at Maidenhead, where composure and defensive organisation set the tone. That foundation powered a dominant home performance against Blackheath & Eltham, producing a ruthless 12-2 victory – a match highlighted by veteran player-coach Libby Leadbeater scoring her first ever competitive goal. A more tactical and controlled display followed against Jersey, securing a 2-0 win built on patience and structure. Guildford then travelled to Horsham 1s for the semi-final, delivering another assured away performance to win 2-0 through goals from Kerry Jennings and Miila England. Across the competition they have scored freely, conceded just three times, and arrive at Lee Valley aiming to complete a league-and-cup double.

Liverpool Sefton's Women's 1st Team began their campaign with a confident 4-0 home win against Loughborough Town, carrying strong league form into the competition. Another 4-0 victory followed against their familiar opponents Manx A, in a fixture that has become a much-loved annual meeting. Their quarter-final took them to Belper on 'Galentine's Day', where – fuelled by Cher's Believe – they battled to a third consecutive 4-0 win in the Derbyshire sunshine. The semi-final brought a trip to Woking, where an early goal from Keira Meadows set the tone. A penalty-corner

reply from Woking kept the match tight, but a composed finish from Jane Baz-Shez secured Sefton's place in the final. A brilliant day out, even if the boat race didn't go their way. The squad now head to Lee Valley proud of their journey, their work ethic and the togetherness that has defined their season.

With Guildford arriving after a controlled, confident run and Liverpool Sefton carrying the momentum of four strong performances, this Trophy Final promises a competitive and high-quality meeting between two ambitious sides.

WOMEN'S OVER 45s TROPHY FINAL

Epsom vs Bowdon

The Women's Over 45s Trophy Final brings together two experienced squads who have built strong, confident runs through the competition. Epsom arrive as defending champions with a composed and consistent campaign behind them, while Bowdon reach the final after a determined journey shaped by resilience, travel and tight contests.

Epsom began their national campaign in the Cup with a 4-0 win over Maidstone before a 1-4 defeat to Sevenoaks moved them into the Trophy. From there, they found their rhythm. A 4-1 victory against Teddington Flamingoes set the tone, followed by a disciplined 1-0 win over Herne Bay Ladies Invicta. Their momentum continued with a 3-1 success against Basingstoke before a composed 4-0 performance against Rugby & East Warwickshire secured their place in the final. As current holders of the WO45s Trophy, Epsom now return with the opportunity to defend their title and complete another strong campaign.

Bowdon's O45s combine friendliness and competitiveness in equal measure, drawing together league players from the club alongside a few trusted friends from across the North West. Their journey began with a win against familiar rivals Timperley before a trip north to Harrogate, where they were unable to progress in the Cup and moved into the Trophy. A home victory over

Formby restarted their momentum, followed by a dramatic away win in the West Midlands where they snatched victory from the jaws of defeat against Solihull. Their reward was a long trip to East Yorkshire, where they delivered a resounding win over Driffield in weather that offered all four seasons. Travel logistics were tested once more for the semi-final at the University of Bedfordshire, but Bowdon rose to the occasion, securing a second successive clean sheet – even playing briefly without a goalkeeper – to book their place in the final. With 18 goals scored and just four conceded en route, they now look forward to representing Bowdon and the North West at Surbiton.

With Epsom aiming to retain their title and Bowdon arriving after a spirited and well-earned run, this Women's Over 45s Trophy Final promises a competitive and engaging contest between two committed and experienced sides.

OPEN/MEN'S OVER 35s TROPHY

Sittingbourne vs Boots

The Open/Men's Over 35s Trophy Final brings together two sides who have built strong, confident campaigns shaped by resilience, momentum and tight-knit team culture. Sittingbourne return to the national stage aiming to go one step further than last year, while Boots arrive after an historic run defined by clinical finishing and composure under pressure.

Sittingbourne have reached the National Trophy Final for the second consecutive season, determined to improve on last year's runner-up finish. Their campaign began with a thrilling 4-3 win over local rivals Burnt Ash, followed by a walkover against Ashford. A dominant 12-2 victory over Sevenoaks underlined their attacking threat before another walkover, this time against West Hampstead, set up a demanding double-header weekend. Rising to the challenge, Sittingbourne edged Havering 2-1 in a tight quarter-final, showing discipline and calmness in key moments. They then produced one of their strongest performances of the season in the semi-final, beating Winchester 6-3 with

confidence and control. With belief high and a close-knit squad driving each other on, captain Minty says the group is ready to give everything in pursuit of the trophy.

Boots have secured a landmark place in the final after a resilient and high-scoring campaign. Their journey began in the Cup tier, where a tough early loss saw them move into the Trophy – a setback that only strengthened their resolve. A defining away performance in Newcastle set the tone, followed by a dominant 4-1 win over Deeside Ramblers and a crucial 3-1 victory against local rivals Beeston. Their semi-final at Lady Bay against Marlow proved one of their most impressive displays, with Boots showing quality and composure to edge a close contest and book their place in the final. With a blend of attacking sharpness and defensive solidity, they now head to Surbiton aiming to bring national silverware back to Nottingham and cement their place in club history.

With Sittingbourne returning with unfinished business and Boots arriving after a determined and confident run, this Trophy Final promises a competitive and high-energy meeting between two ambitious sides.

WOMEN'S PLATE FINAL

Oxford Hawks 2 vs Swindon

The Women's Plate Final brings together two sides who have shown composure and strong team identity throughout their campaigns. Oxford Hawks 2s arrive after a disciplined and upward-building run through the Plate, while Swindon return to Lee Valley for the second time in as many years with momentum and confidence behind them.

Oxford Hawks Ladies 2s have demonstrated determination and steady progression on their route to the final. After receiving a walkover against Swindon in the opening round of the Cup, they faced a tough test against Woking, narrowly losing 2-1 and moving into the Plate competition. Refocused, Hawks responded superbly. A hard-fought 1-0 win over the British

Army showcased their defensive strength and composure under pressure, before a confident 3-0 semi-final victory against Guernsey highlighted their attacking quality. Their run reflects not only match-day performances but the collective effort of a squad blending experience with emerging talent. Hawks also acknowledge the players who contributed earlier in the campaign but are unavailable for the final – their role in reaching this stage has been vital.

Swindon return to Lee Valley after an impressive and composed run through the Plate. Their Plate campaign began with a tense quarter-final against Old Williamsonians, finishing 2-2 after goals from Katie Underwood and Evie Sullivan. In the shuffles, Swindon showed real calmness, winning 3-1 thanks to conversions from Elsie Scrace, Meg Poole and Sally Rankin, while goalkeeper Megan Stubbs delivered a standout performance with three crucial saves. Confidence carried into the semi-final, where Swindon produced a strong display to beat Chester 3-1, with Underwood continuing her scoring form and Poole adding two more goals. With experience on this stage and a proven ability to perform under pressure, Swindon arrive ready to embrace the occasion once again.

With Oxford Hawks building momentum through disciplined performances and Swindon bringing knockout composure and attacking threat, this Plate Final promises a competitive and engaging contest between two ambitious sides.

WOMEN'S BOWL FINAL

Bridgwater vs West Derby

The Women's Bowl Final brings together two sides who have shown determination, momentum and strong team identity throughout their campaigns. Bridgwater and West Derby arrive at Lee Valley after confident, hard-earned runs that reflect the spirit and competitiveness of the Bowl competition.

Bridgwater reach the final in their centenary season, adding extra significance to a campaign built on belief, determination and a strong collective spirit – helped along, as they put it, by

plenty of squashes! Their early rounds featured dominant performances that showcased both attacking quality and defensive discipline. As the competition progressed, the challenges grew tougher, with hard-fought matches that tested their resilience and adaptability. A semi-final played in a hailstorm underlined the unpredictable nature of their journey, but the squad held firm, supported each other and found the moments that mattered. With strength in depth and contributions across the team, Bridgwater now stand one game away from making their 100th year truly memorable. As they put it themselves:

Up the Bridge!

West Derby have enjoyed another excellent run to the final, built on grit, belief and a habit of stepping up in big moments. Their campaign opened with a 3-1 win over Horwich in a well-contested match against friendly opposition, before a tough encounter with Preston tested their resilience. West Derby battled to the end, securing a 4-3 victory to reach the quarter-finals. A memorable trip to Beeston followed, where they produced some of their best hockey of the season to edge a tight 3-2 win at one of the country's most iconic clubs.

The semi-final against the University of Bath began with West Derby controlling the opening stages but struggling to convert. True to their character, they kept pushing and took a 1-0 lead just before half-time. The second half brought a surge of momentum, with three goals in ten minutes sealing an impressive 4-1 victory and a return to Lee Valley for a second consecutive final.

This West Derby squad is defined by its steeliness, drive and determination – qualities that have carried them through every round. With fierce passion and a strong team bond, they now look forward to another opportunity on the national stage.

OPEN/MEN'S OVER 55s VASE
Northampton Saints
vs Old Georgians

The Open/Men's Over 55s Vase Final brings together two sides who have carved out their paths with experience, composure and a clear sense of identity. Northampton Saints arrive after a run built on defensive strength and long-distance commitment, while Trojans reach the final following a determined response to early setbacks and a confident surge through the Trophy rounds.

Northampton Saints' route to the final began with an away trip to Hampton & Solihull – a match that almost didn't happen after an accident on the M6. Once they arrived, Saints battled through a tight and competitive contest, securing a 1-0 win thanks to a well-struck short corner from Darren Brookes midway through the second half. Round two brought another away fixture, this time against East Midlands rivals West Bridgford. Saints took control early and delivered an accomplished performance, scoring five open-play goals in a convincing win. The semi-final meant yet another journey, this time south to Burnt Ash (Bexley). In warm sunshine and buoyed by a focused team talk from manager Ian Knight, Saints started strongly, scoring early and pushing hard for a second before half-time. They eventually found the crucial second goal after the break, while goalkeeper Barry Coe and his well-organised defence secured a third consecutive clean sheet. Post-match teas, a beer and an afternoon watching cricket at the Bexley clubhouse made the long trip worthwhile. Grateful to all their hosts along the way, Saints now head to Surbiton ready to enjoy the occasion and compete for the title – they've had a great time in the competition, whatever the result.

Trojans began their campaign in the Cup with a demanding first-round tie against champions Reading. In a fast, competitive match, Trojans pushed hard for an equaliser and visibly unsettled their opponents before eventually falling to a 4-2 defeat. An away fixture against

Hampshire rivals Havant followed, where Trojans again competed well but came up short, moving them into the Trophy competition. Back to full strength, they produced an emphatic win over Ocean City to reignite their momentum. A bye in the quarter-finals led to a home semi-final against Alderley Edge, played in bright sunshine and in great spirit. Trojans delivered a confident performance, scoring fine goals and securing a 5-1 victory to book their place in the final. With strong form, renewed belief and a squad that has grown through every round, they now look forward to meeting Northampton Saints at Surbiton.

With Saints arriving after a disciplined, defence-led run and Trojans carrying momentum from a confident surge through the Trophy, this Vase Final promises a competitive and engaging contest between two committed and experienced sides.

WOMEN'S OVER 55s VASE
Canterbury vs
Hendon & Mill Hill

The Women's Over 55s Vase Final brings together two squads whose journeys have been shaped by connection, character and a genuine joy for playing the game. Canterbury arrive with a story rooted in friendship and legacy, while Hendon & Mill Hill Phoenix return to the national stage with a growing identity and a squad drawn from across London and beyond.

Canterbury's route to the final has been powered by enthusiasm, humour and a shared determination to keep playing together, no matter what their bodies might say the next morning. This is a group who value competition, but value laughter just as much. Their season has carried a deeper meaning too. Over a year ago, they lost their chairman, Jaynie – the heartbeat of the team – whose spirit of *"fast, furious and friendly"* hockey continues to guide them, even if the definition of fast has become delightfully flexible. In Jaynie's memory, Canterbury have supported two cancer charities this season, swapping their traditional green and white for bold pink and blue shirts – vibrant, distinctive

and surprisingly flattering. Every match has been played with an enjoy-every-minute attitude, with no expectations beyond giving their best and honouring the legacy of a teammate who meant so much. That approach has carried them all the way to Finals Day, proving that competitive hockey has no age limit and that joy can be just as powerful as ambition.

Hendon & Mill Hill Phoenix arrive in Surbiton for their second national final in as many seasons – an impressive achievement for a team only in its second year. Formed after the closure of Southgate HC Flutes in 2024, Phoenix rose from that moment of change with the same women, the same spirit and a new badge. This season, the squad has grown further thanks to England Hockey regulations that allow friends and family from across London and beyond to join the fold. Their bright green kit carries its own story too – worn in remembrance of long-time Flutes and H&MH player Theresa D'Abreu, whose favourite colour it was. Phoenix compete not only in the national O55 competition but also in the London O45 league, where camaraderie and home-made teas are as much a part of their identity as their hockey. Their path to the final included narrow defeats to St Albans and Bedford, followed by a 5-0 win over LX North and a composed 2-0 victory against Old Cranleigh. A team built on friendship, continuity and renewal, Phoenix now look forward to meeting Canterbury on Finals Day.

With Canterbury carrying a season rich in meaning and Hendon & Mill Hill Phoenix returning with growing strength and togetherness, this Vase Final promises a warm-spirited, competitive and memorable contest between two teams who embody everything Masters hockey stands for.

Discover Kingfisher Sport

Kingfisher Sport delivered a full LED upgrade to this hockey centre, replacing outdated 2kW discharge lamps with high-performance AMNIS floodlights to significantly improve light quality while reducing energy and maintenance costs. Integrated with the Kingfisher Controls system, the installation allows flexible switching between match and training levels, ensuring elite-level performance alongside long-term operational savings.

End-to-end project solutions
Bespoke control systems
Full lighting design service
DarkSky-accredited floodlights

DARKSKY APPROVED
Reduces light pollution
Certified by DarkSky.org
