End of season

**Congratulations to all our teams who have already won their Division – 25 of you
Good Luck to those still competing, many with just a couple of points difference**

- A form will be sent to all Clubs for you to complete, sharing your plans for next season. This will come out in early April
- The League structures for next season will be prepared in May and shared at the Annual League Meeting – compulsory attendance

- **June 15th at 19.00**

- The League structures for 2026 /27 will be based on the proposals presented last year. The document outlining Promotion / Relegations for 25/26 is based on this plan. This document can be found on the West website/ Adult / League Information – link below

- All Clubs need to update their GMS contact lists in line with your AGM elections. Some Clubs have over 20 contacts – there is no way of knowing which are the relevant ones for the current season. EVERY Team to have at least one phone number to allow contact on match days
