

Regulation 11.2 - Registration of an Umpire “Loyalty” to a club so they can be selected on the Teamsheet.

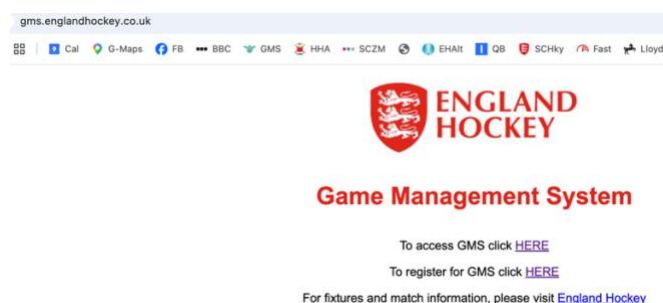

In accordance with Regulation 11.2, every umpire who umpires a match within the Adult Leagues must be recorded on the Teamsheet before the game. They must also be members of England Hockey Officiating (EHO), which is a prerequisite for signing up as associated with a club so that they can be included on the Teamsheet. GMS calls “association” by the term “Loyalty”, and the procedure below shows you how to achieve that association. You can be “loyal” to as many clubs as you prefer! This document does not include the process to be a member of EHO.

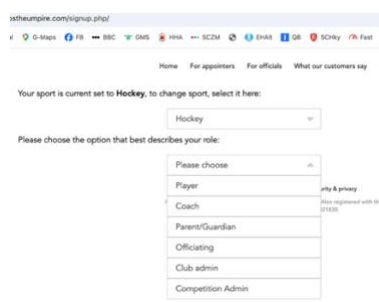

Procedure

Go to gms.englandhockey.co.uk

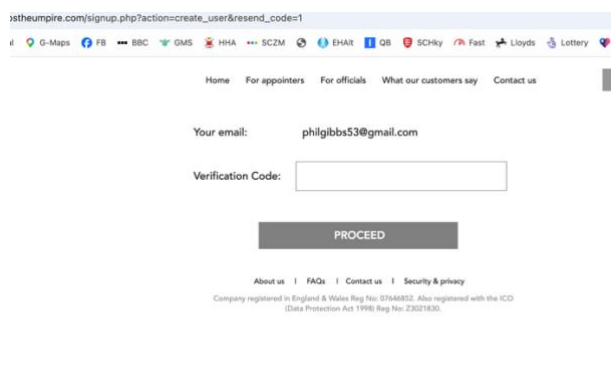

Even if registered, click on Register for GMS

On next screen select “Hockey” and “Officiating”

On next screen, enter the verification code – I had to request resend, but it then worked.

Enter your details (minimum EHO Bronze), and at the bottom of this page select your club – you have to scroll through every club in alphabetical order!! (use the scroll bar)

stheumpire.com/signup.php?action=verify_user&resend_code=1
