

Are you a Level 1 assessed umpire?

SOUTH CENTRAL NEEDS YOU

Have you ever considered taking neutral appointments?
SC are keen to recruit more umpires on to the appointed panels.
Umpiring neutral games does not mean you have to stop playing.

We can appoint you to games around your playing and other commitments. We don't expect you to commit to umpiring a neutral game every weekend, and you will receive coaching and support.

If this has grabbed your interest and would like to know more then please email LeadDeveloper.Officiating@southcentral.hockey.

If you do commit to doing some games and do four or more then you will receive a free EHO umpiring shirt - colour of your choice!
