OFFICIAL PROGRAMME

U14 & U16 T1 & T2 JUNIOR CLUB
CHAMPIONSHIP FINALS

Nottingham Hockey Centre • Sunday 28 April 2024

**NOTTINGHAM
HOCKEY CENTRE**

WELCOME

FROM NICK PINK, ENGLAND HOCKEY

We are delighted to welcome participating teams to our Junior Club Championships Finals day featuring all of U14 Tiered Championships finals along with the U16 Tier 1 Shield finals.

Our Junior Competitions Framework featuring tiered championships continues to be well received. It is great to see many different teams, particularly in the Tier 2 competitions, qualifying for the U14 national finals.

The U16 Tier 1 Shield is a knockout competition for teams who qualified for the Supra Leagues but did not make the final 8. We are pleased with the new format for U16 Tier 1 which has seen leagues and knockouts with different entry points all under the Tier 1 banner.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents. Thanks also go to the umpires, including a heartening number of young officials, and the tournament officials who give their time freely to run the tournaments in a structured and fair manner.

All of you are part of the thousands of people in our sport who continue to help hockey move forwards. You will see our Pro League matches advertised elsewhere in the programme. With tickets now on general sale, it would be great to see young players from this tournament looking to aspire and learn from the Great Britain squads and enjoying our excellent international event experience at Lee Valley in June.

The team at Nottingham Hockey Centre has always been at the forefront of developing hockey facilities. Working with their partners to create a venue with five pitches is an amazing achievement and is coupled with excellent on-event support. This allows us to host days such as today, alongside the Midlands Area In2Hockey finals bringing around 500 young people together to play our fantastic sport. We hope it is a memorable event for you all.

THE HOCKEY museum

giving hockey's history a future

The Hockey Museum is a registered charity and is the first and only museum of hockey in the world.

We preserve, share and celebrate the rich history and heritage of hockey, from evidence of its ancient roots across multiple continents, to the modern, diverse and universal Olympic sport.

It is powered by a diverse and experienced team of over 70 volunteers, 2 members of staff and a board of trustees.

Our collection, and home to a small exhibition space and library, is 13 High Street, Woking, England.

THM is fully reliant on support from a wide range of sources and there are many ways that you can donate to help care for and preserve the hockey's legacy and the collection for future generations.
