WELCOME

FROM RICH BEER, ENGLAND HOCKEY

We are delighted to welcome everyone to the Schools Vase finals. We are now in the fifth season of the schools' championships framework and the Vase competitions are designed to offer an opportunity for schools, who are not competing at the highest level, a chance to participate in a national final.

96 different teams will have played in our school's finals in 2026 as part of our tiered structure. Now this has now been successfully rolled out and understood we have taken the opportunity to review and update competition titles for schools and club competitions to make them more engaging too.

Schools participating today have qualified from each of the eight Areas that now govern the sport across the country. We thank the local organisers of those competitions for their support. We congratulate the teams who have reached the finals and hope that they enjoy the experience of playing in a tournament with their peers from around the country.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents. Thanks also go to the umpires and officials who give their time freely to run the tournaments in a structured and fair manner. All of you are part of the thousands of people in our sport who continue to help hockey move forwards.

You will see our Pro League matches advertised elsewhere in the programme. With tickets from £8 for Under 18s, it would be great to see young players from this tournament looking to learn from the England men's & women's squads and enjoying our excellent international event experience.

We are delighted to be back at the Nottingham Hockey Centre. The centre has always been at the forefront of developing hockey facilities. Working with their partners to create a venue with five pitches is an amazing achievement and is coupled with excellent on-event support. This allows us to host days such as today, bringing almost 400 young people together to play our fantastic sport.

For those in the Under 18 finals this may your last school hockey activity and we hope you will continue to play at club or university in the future.

We hope it is a memorable day for you all.
