

Bachelor of Science with Honours in Mathematics

These regulations must be read in conjunction with the Academic Regulations (Taught Courses). These regulations are available by going online to the Open University 'Essential Documents' website at www.open.ac.uk/essential-documents.

Short title

BSc (Honours) Mathematics

Award letters

BSc (Hons) Maths (Open)

Entry requirements

No formal academic entry requirement

Maximum duration of study

16 years

Credit requirement

360 or 370

Stage 1 (120 credits)

90 credits from specified compulsory modules and depending on the study route being followed, 30 credits from a further specified compulsory module or specified option modules

Stage 2 (120 credits)

60 credits from the specified compulsory module and 60 or 70 credits from the further specified compulsory modules

Stage 3 (120 credits)

60 credits from the specified core option modules and 60 credits from the further specified core option modules

Maximum transferred credit

120 credits at OU Stage 1. Credit transfer is only permitted if the intensive start route is being followed. Credit transfer is not permitted against the default start study route.

For students who started the qualification before October 2016, the intensive start study route was referred to as the standard route, and the default start study route as the gentle start study route.

Maximum age of credit transfer

16 years

Unique study requirement

120 credits at OU Stage 3

Additional rules

Prior to February 2017, performance thresholds on OU Stage 1 modules were in place for students wishing to progress to OU Stage 2. These thresholds have now been removed.
