Highfield Level 2 International Award in HACCP for Catering

DON'T COMPROMISE ON FOOD SAFETY!

Our HACCP for Catering qualification is designed to help you identify, control and monitor potential hazards, ensuring that your food is safe for consumption. Protect your business, your customers and yourself.

What are the objectives of this qualification?

Building on an understanding of HACCP for Catering, this qualification is intended to provide food handlers working in catering and retail, with the practical knowledge to enable them to reduce the risk of food poisoning and food complaints. Specifically it provides the essential knowledge for food handlers involved in the daily implementation of HACCP procedures, and those who are, or will be part of a HACCP team within a catering/retail environment.

How long will it take to achieve this qualification?

To complete this qualification learners should expect to undertake a minimum of **6 hours** of learning.

What are the tutor requirements to deliver this qualification?

Tutors must hold a relevant subject area qualification and/or experience, as well as a relevant teaching qualification and/or experience.

How is the qualification assessed?

This qualification is assessed by a multiple-choice question examination. This method of assessment is an end-of-course exam and must follow the Highfield Qualifications Examination and Invigilation Procedures. The examination for this qualification contains **15 questions** that must be completed within **30 minutes**. Successful learners must achieve a score of at least 9 out of 15 (60%). Learners will achieve a distinction at 12 out of 15 (80%).

Why a Highfield qualification?

Highfield is the leading provider of regulated compliance qualifications in the UK, certifying over 350,000 learners a year.

Established in 1982, Highfield is a global leading, regulated, awarding organisation providing internationally recognised qualifications and remote invigilation.

We're extremely proud to be a Highfield approved centre and offer you international qualifications that will enhance your career prospects.
