# Highfield Level 3 International Award in Food Safety

**Further your food safety knowledge and progress your career with this internationally recognised qualification for supervisors.  
Protect your business, your customers and yourself.**

## What is the objective of this qualification?

This qualification is intended to provide supervisors, middle management and quality assurance staff with the essential practical knowledge to enable them to manage staff to provide safe food.

Building on the Highfield Level 2 Food Safety qualification, emphasis has been placed on understanding and managing hazards to prevent food poisoning, spoilage, complaints and food recalls.

In addition to the roles and responsibility of supervisors, prerequisite programmes and HACCP, learners will study how to manage the risk factors associated with illness, including temperature abuse, ineffective processing and cooling, storage, thawing, contamination (microbiological, allergenic, chemical and physical) and poor staff hygiene.

It is appropriate for all sectors of the food industry – **catering, retailing and manufacturing.**

## What are the tutor requirements to deliver this qualification?

Tutors must hold a relevant subject area qualification and/or experience, as well as a relevant teaching qualification and/or experience.

## How long will it take me to achieve this qualification?

This qualification can be delivered over 20 hours.

## How is the qualification assessed?

This qualification is assessed by a multiple-choice question examination. This method of assessment is an end-of-course exam and must follow the Highfield Qualifications Examination and Invigilation Procedures. The examination for this qualification contains 45 questions that must be completed within 90 minutes. Successful learners must achieve a score of at least 30 out of 45 (66%).
