# Food Safety

## Highfield Level 1 International Award in Food Safety

The objective of this qualification is to prepare learners for employment in a food business, or to support a current position within a low-risk role, where there is an element of food handling. This could include waiting staff, health care workers, kitchen porters and stock/store room staff.

The qualification can be taken as stand-alone or as part of a wider programme of training and has one mandatory unit to complete.

### **Mandatory Unit**

This qualification has one mandatory unit with four learning outcomes:

- Food Safety Awareness

### **How long will it take me to achieve this qualification?**

This qualification can be typically delivered as a half day course (4 hours).

### **How is the qualification assessed?**

It is assessed by a multiple-choice examination, where the learner must answer at least 9 out of 15 questions correctly (60%). If learners answer 12 (80%) or more questions correctly, they will achieve a Distinction. The examination will take a maximum of 30 minutes to complete.

### **What next?**

Learners successfully completing this qualification may wish to progress onto further qualifications, such as:

- Highfield Level 2 International Award in Food Safety
- Highfield Level 2 Award in Food Safety in Catering (RQF)

### **Where can this course be taken?**

Through any Highfield approved training centre.
