

How We Made The World A Brighter Place In 2018

Follow the steps to a brighter, more vibrant world as we track this year's achievements of PPG's COLORFUL COMMUNITIES™ initiative.

one

We identified **70 community projects** from **20 countries** where we live and work.

Nearly **4,700 employees** and community individuals **volunteered 34,500 hours** to change the world.

two

three

PPG donated more than **\$1.2 million** in funding to bring it to life.

We used **7,645 gallons (28,940 liters)** of PPG paint to transform our communities into works of art.

four

five

We impacted nearly **700,000 people in 2018**, including students, seniors, teachers, patients, community members and more.
