

Relocations of the various groups in the W&N Building

The W&N Building is being demolished as it no longer meets the standards for top-class education and research. Many departments have already relocated to their new or temporary homes. Check out the upcoming relocations by clicking the department buttons below.

-  Relocations planned for 2025 and 2026 are indicated by a green arrow
-  Relocations planned for 2027 are indicated by a purple arrow
