

Annual schedule 2026 / 2027

View the CTL annual program 2026/2027 below. For each theme you can see which courses and other programs you can participate in in the coming academic year. **The months marked in light blue indicate the period in which the program runs, including information about the number of course days/parts and the total number of study load hours (SLH).** View all options and choose what suits your (educational) ambitions!

We also provide the following programs and derivatives tailor-made for your team or department.
