

EVACUATION?

Instructions for teachers

Evacuation signal?

Don't wait for the Emergency Response (BHV) team; evacuate immediately and escort others to the assembly point.

Inform everyone where the assembly point is
(see details of emergency map in room)

Ensure everyone leaves the room quickly and calmly

Inform everyone that they must:

- follow the green signs (escape route)
- not use the lifts; use the (emergency) stairs instead
- follow the BHV instructions

Assist anyone unable to evacuate independently

- If needed, call the VU emergency number **020-598 2222**
- Request BHV assistance: evacuations can be carried out using the fire service lift if the lift area is smoke-free

Be the last to leave the room

- Close windows and doors
- Go to the assembly point with everyone (still) present

Report to the BHV officers or Security

- Inform them whether the room has been evacuated
- Wait for further instructions
- If required, escort people back to the room
