

Minor Injury Clinics

Rapid access to efficient and
convenient treatment and advice

Minor Injury Clinic

Efficient and Convenient

Minor injury clinics give rapid access to efficient and convenient treatment and advice on minor injuries including sports injuries such as fractures and dislocations and illnesses such as fever and infection.

Irish Life Health offer a contribution towards the costs of attending one of our approved Minor Injury Clinics, depending on your plan

Our approved network of walk-in clinics covers up to 19 locations nationwide.

*Assessed on a case by case basis. Severe cases are referred to hospital.

How to Claim

Direct Settlement Minor Injury Clinics

Irish Life Health will pay selected minor injury clinics directly up to the amount detailed on your table of cover for each visit.

This includes cover towards the initial consultation and if deemed necessary the following treatments related to the initial consultation: x-ray, stitching, full cast, temporary cast, splints and crutches.

Pay and Claim Minor Injury Clinics

You will pay the clinic directly and claim back up to the amount detailed on your table of cover.

To confirm Direct Settlement or Pay and Claim please consult your Irish Life Health membership handbook.

Information relating to benefits and cover contained within this document is not conclusive. For full details on what's covered and what's not covered see the relevant Table of Cover and Member Handbook at irishlifehealth.ie.

Information correct as of 2 September 2021.

Irish Life Health dac is regulated by the Central Bank of Ireland.
