Minimum Percentage of Paper Comprising Core Material							70%		70%	70%		70%		70%		70%	70%	
Notes																		
1) 1 = core material, 2 = non core material, 3 = awareness																		
2) For all Advanced Technical papers, it is expected that candidates have a good knowledge of the Law, Professional Responsibilities and Ethics and Principles of Accounting manuals and so questions may be set																		
which include terms and concepts relevant to the tax being examined and candidates may be required to																		
demonstrate an understanding of those terms and concepts and the effect on the tax outcomes in their																		
answers.																		
3) For the Human Capital Advanced Technical paper, so far as it is within "Essential Law for Tax Practitioners", the following may be specifically examined:																		
a) Employment law.																		
b) Company law surrounding shares and share schemes.																		
4) For all Application & Professional Skills questions, the material in the Law, Professional Responsibilities																		
and Ethics, and Principles of Accounting manuals may be examined.
