## Candidate checklist

There are some important steps you will need to take when preparing for your online exam. Use this checklist to keep track of the tasks to be completed before your exam day.

### Several weeks before your exam

#### Check the Exam4 IT Specification

Exam4 is compatible with most devices but make sure you have the minimum requirements

#### Download and install Exam4

You will be emailed the download link

#### Review Exam4 guides and videos

These will show you how to use Exam4 from start to end. Download and either print out or save the guides somewhere convenient

#### Decide where to sit your exam

Give yourself plenty of time to prepare your exam environment

#### Test Exam4 from start to end

Submit sample answers in your chosen exam environment to ensure everything works

#### Decide which materials you will use

When sitting open book exams you need to find information efficiently and effectively. Decide which books will be most helpful in your exam

### The week before your exam

#### Tax tables

Download and either print out or save somewhere convenient for your exam day

#### OECD Model Convention (if required)

Download and either print out or save somewhere convenient for your exam day

#### Exam Day Guide

This guide will walk you through the exam day

#### Confirm your exam timing

It's your responsibility to manage your exam timing so go over these details in your candidate information email

#### Review the ID verification process

#### Try using Exam4 from start to end again

The more practice you get, the more comfortable you will be on the exam day

#### Set up your exam room

Do this the day before your exam, if possible

### Your exam day

#### Prompt any general software updates to run

Run these on the morning of your exam. Turn off automatic updates for the duration of your exam

#### Check your internet connection

You will need to be connected both at the start and the end of your exam

#### Submit your ID

#### Open Exam4 before your exam start time

Get ready to 'Fetch' the question paper on time

### What you need for your exam
