Welcome

Thank you for showing interest in the Education Officer role which is a FTC for 13 months to cover maternity leave. As an educational charity and the leading professional body in the UK for advisers dealing with all aspects of taxation, if successful, you will be joining a dedicated team of staff and volunteers who ensure that we continue to meet our primary purpose of promoting education in taxation. Our key aim is to achieve a more efficient and less complex tax system for all and you will see from our annual reports that we do this through a wide range of activities.

Like many other organisations, the past 18 months has seen an acceleration in our services being offered through more digital and flexible means. We have adapted and performed well and are keen to harness opportunities to continue to grow the CIOT, ATT, and CTA brands in the UK and through our global partnerships. This role will be working with an established and committed team to deliver against our three strategic aims of Education, Standards and Voice and we will talk more about some of those through the selection process. We'd also like you to bring your ideas and experience to the role to help us innovate and meet the needs of all our customers and key stakeholders.

I hope you will consider applying for this role and become part of our friendly and committed team.

About the ATT and CIOT

The Association of Taxation Technicians (ATT) and Chartered Institute of Taxation (CIOT) are both leading educational charities and professional bodies. We are committed to ensuring that our members, students, volunteers and staff feel welcomed, valued and supported.

In October 2020, with the ATT, the CIOT established a Joint Equality, Diversity and Inclusion (EDI) Committee (which replaced the CIOT's EDI Working Group). The committee assists us in ensuring we have clear EDI values that can be demonstrated through our behaviours, actions and operations. The committee meets quarterly and reports progress to both governing Councils.

We employ around 85 staff who usually work from our modern, accessible offices at Monck Street, Westminster but we are currently working remotely with activities and services continuing online. In addition, we have c. 730 volunteers. We are fully committed to equality, diversity and inclusion and we want this to be reflected in the diversity of the people who work for and volunteer with us and we welcome applications from people from all backgrounds and identities. We think that boards and committees whose members have different backgrounds and experience are more likely to provide challenge, encourage debate and to make better decisions. With your help, we want the ATT and CIOT to accelerate our progress towards becoming more accessible, inclusive, diverse, and equitable organisations.
